

# Class Supply List - AP Precalculus

## \* TI-84 Graphing Calculator

**Required for AP Precalculus and AP Calculus AB/BC:** A graphing calculator is needed in order to do homework and take the AP Test. Desmos is not allowed for use on AP tests.

## \* 3 Ring Binder – 1 inch or larger with pockets (NO metal binders)

*Note: These classes will include some handouts, Canvas will be used as well. 3-ring binders are the best way to stay organized, no metal binders which set off metal detectors.*

- 5 –Subject Dividers with or w/o pockets (optional to help with organization)
- College ruled Loose leaf Notebook Paper (No spiral notebooks, please)
- Graph Paper or Go to the NCDPI website [GRAPH PAPER](#)

## \* Something to Write With

- Pencils (required for quizzes and tests) or erasable Frixxon Pens
- Red or Colored Pens for grading homework and making corrections
- Highlighters - optional
- Expo Markers for using individual white boards

## \* Classroom Donations are Always Appreciated!

- Tissues
- Hand sanitizer
- Eraser tops
- Color copy paper
- Expo markers

### Other Class Information:

- 1) Use mail function in Canvas for class related messages (personal messages for attendance should be emailed, copy attendance secretary)
