December 21, 2018

Dear CVU Community: From all of the faculty and staff at CVU, **Happy Holidays!**

(photo courtesy of **Tomi Pogact** at 3:20 on Friday)

Check out the scenes from the Holiday Sweater Contest!

Students:

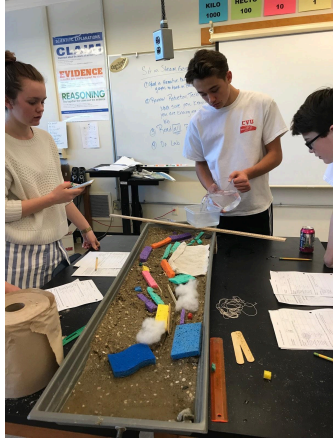

- **Spanish** classes found some time to learn about culture through dance this week.

- From Stacy Wulff: This is a picture of my **Current Issues** class on our last day of class. We played a fantasy politics game this semester and the winning country was China.

- **Students in Chittenden and Fairbanks** participated in a Stream Table Design Challenge as part of their Hydrosphere Unit. Students tested streams that mimicked the Winooski River in non-flood and flood conditions. They then "restored" their stream using materials designed to simulate current stream restorative practices, and tested them in non-flood and flood conditions!

- **Cougarhawks** getting ready for their game!

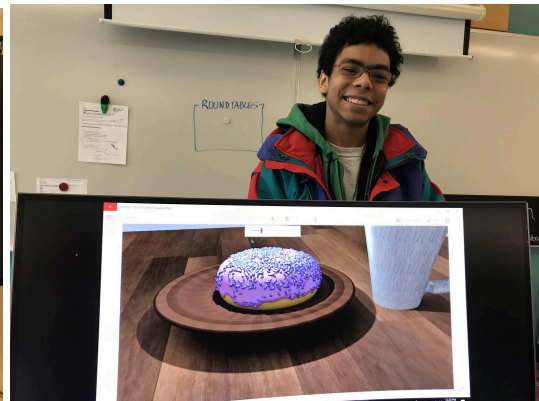

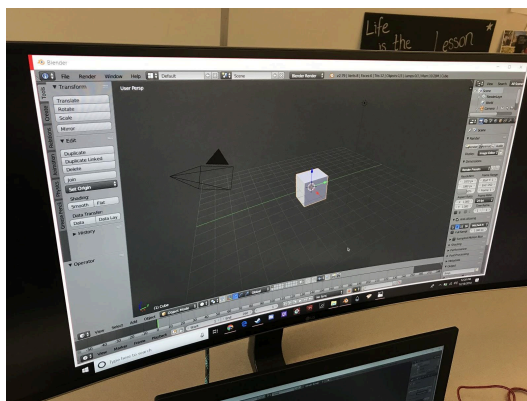

- Nordic Skiing Costume Practice: Our Annual Costume Relay Race was canceled due to the impending weather on Friday. So we decided to have a costume practice instead! These skiers take their costumes seriously!

- Oh, **Bennett...**

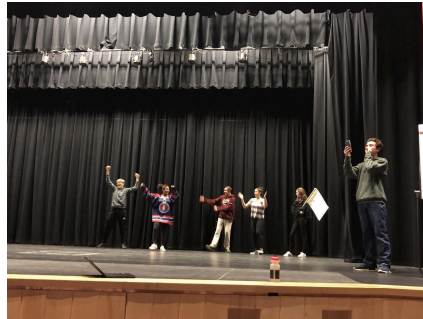

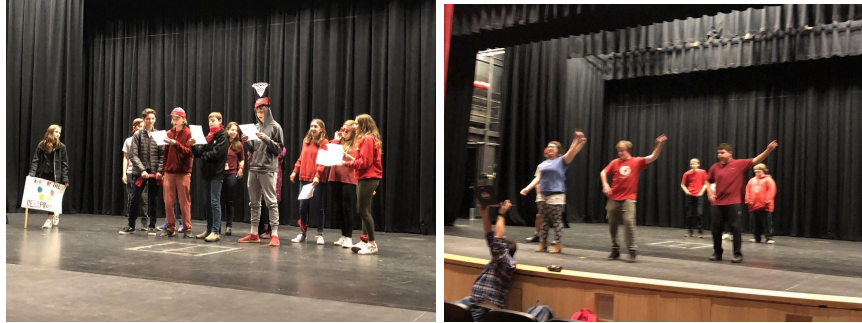

- **John Phillips** shows off his 3-d animation. He started with the screen on the left and finished with the one on the right!

- **Charlie MacFadyen** and **Max Robertson** work on an independent study on coding.

- **Nichols Core** engaged in a serious circles group competition today...

- Congratulations to the Riell Tournament MVPs: **Catherine Gilwee** and **Ethan Harvey**.

- **Lucy Picard**, great job on the puzzle you made in Wood class!

- We are inspired by your strength and are thinking about you, **Clark**.

- It's a cook-off!

- I intercepted this note from Pam Gover to the Unified Bowling Team: **As I start to** wind down after a super long day I just want to tell you how proud I am of each and every one of you. You rocked it today! These pictures just show a small portion of how hard each of you worked as a team. I cannot thank the partners for all their time and dedication to each athlete. You guys rock and all hold a very special place in my heart! [Editor's note: I think Pam Gover rocks, too!)

- From Mark Pogact: On Saturday **Bennett Cheer** and **Nicole Eaton** helped me out with my grade 1-2 basketball team in Williston. The kids loved having real basketball players work with them!

Faculty/Staff:

- From Liz Lach: A shoutout to **Jess Lemieux** for her consistent positive and supportive interactions. You truly bring out the best in your students!
- Not only does **Carol Fox** rock spreadsheets and yearbooks, but she brings the holiday spirit!

- Thanks to **Carly Rivard** and **Charlie MacFadyen** for making Connect Days as smooth as possible!
- **Gary Lambert**, as always, thanks for your patience with last minute holiday celebrations:)

Community:

- Thank you to **Exxon-Mobil** and **Jolley** for your sponsorship of Flexible Pathways at CVU!
