教師なのに馬鹿でごめんなさい

勉強しかしたことないの

I'm sorry that you have an idiot for a teacher

It's because all I've done is study

Today, classroom, a boundary line, my extremely interesting private life

It's got nothing to do with anything para para para para

I wonder if i'll be fired if it gets out that I was lying when I called out saying i was pregnant

教師なのにタバコ吸って

教師なのにいじめられて

教師なのに不登校で

教師だからだから何なの

I'm a teacher, but I smoke

I'm a teacher, but I get bullied

I'm a teacher, but I cut class

I'm a teacher, so...so what?!

人の気持ちわかっちゃうと

合わないってわかっちゃうし

合わないって思われたら

何! にも聞いてくれないし

If you understand people's feelings

You understand that you won't mesh

And once you understand that you don't mesh

You can't hear anything they say

何にも考えないフリ

I have spare time until I die. What will you do for me?
It's a small world for us teachers
I write a note and go viral - yet I still have spare time**

女だって得意だけど
女の成績5段階で5だからって
女やらなきゃいけないとか納得いかない
**I'm good at this even though I'm a girl, but
Just because a girl might get a 5 out of 5
That doesn't mean I agree that girls have to do it**
