

0:00 THEME OF SLAYER; KOREAN

0:34 welcome to the castle super omicron conspiracy cast~! David Cage's omicron was a warning from the past about the covid vaccine

- 1:21 woolie was hoping they'd continue the trend of not acknowledging omicron at all
- 1:47 the conspiracy warzone in the comments section of the LP
- 2:39 No one would ever play omicron themselves
- 4:40 Remember the factory bug? That's people making the vaccine trying to get the real truth out but they cant. You have to body jump and cuck people's wives to survive
- 6:19 the koopy sandwich... It looks like a house, and you're all cooped up in there.
- 7:08 ye olde conspiracy pat

WEEK OF THE BEASTLORDS

PAT

7:52 endwalker is out. Pat is having trouble even getting in to play it. They put out a statement launch will be bad due to not having servers because of the superconductor shortage

- 10:45 stuff like hospital routers are in shortage too
- 11:19 releasing some population metrics. Up 35% before the drop of endwalker from people leaving WoW. also, blizzard continues to be blizzard. Hololive getting into it too.
- 13:35 if you log in in the morning, you can get in. if you log in past a certain time, you play the queue to get in instead.
- 14:55 some catastrophic login problems. The login process is sensitive to packet loss.
- 16:08 actually getting in the servers is completely smooth aside from the 20 minute AFK timer.
- 17:24 get in early and stay in
- 19:27 this week will be the worst ever. Everyone coming back from work to log in
- 20:35 strats to not leave, getting crashed out

- 22:00 MMO players are not reasonable actors
- 23:28 Remember the MCU? Its worse than endgame
- 25:07 pats favorite comment: wow you can play this game on controller??
- 25:50 a bunch of people have already completed it
- 26:57 the bouncer at the door is too strict
- 28:47 "pls connect with an ethernet cable" and why its not on xbox instead of playstation
- 30:16 there's nothing they could have done
- 32:23 the surge will be over after the weekend, but it'll be rough during that time. RIP free trial players
- 34:42 the content is immaculate. A step up from shadowbringers. The trailer is a lie.
- 36:49 dungeons are great, class changes seems pretty good aside from dark knight, the summoner class is completely remade
- 39:17 wanting more buttons but not being able to fit them on the bar. Cutting down on button load.
- 44:22 dark knight and scholar: scholar are happy, dark knights are not
- 47:35 bunny bois are here. Look at these sluts. And all these eyeliner and eyelash options. And the clipping resulting in changing their movement
- 49:52 hunt train to get a bulldog
- 50:46 the story has become "I cant believe I'm doing this in an MMO."
- 52:14 for plot: a twist of "I dont know what we're going to do next." Looking at the patch notes.
- 55:50 the end of a long journey of content. A new arc after this.
- 58:51 pat believes the next expansion will be an engine overhaul and going to an entirely new location
- 1:00:58 woolie suggests the idea of you making a new character that is the child of your old one

- 1:02:00 "but what if they both it...?" "nope, not botching this one." and do your job quests paying off.

- 1:05:56 Just wait for the new thing, forget about your old data

1:07:17 played more halo. Difference between halo and ffxiv communities. Closing the halo subreddit.

- 1:08:38 the stat crush in FFXIV

1:10:35 watched a bit of jojo. Stone ocean is fun. Going straight into it.

- 1:11:23 woolie has never seen a show that annihilate the bitrate of netflix so hard

- 1:12:15 lightning fast pacing, cutting some lines, going 6 chapters per episode

- 1:16:28 encounters and fights happening sooner and sooner as parts progress, hours between fights

- 1:18:11 not wanting 2 seasons like stardust crusaders

- 1:19:51 woolie worried about missing some good idle moments, and not wanting this sort of thing for part 7

- 1:21:12 stretching the absolute definition of a stand battle

- 1:23:34 watching episode 3, 4, and 5 with paige. Moments of absolute confusion

- 1:25:21 questioning the rules of the world. The chad weather report.

- 1:26:31 "but what if I could just do this with my stand tho." and giorno's stand.

- 1:29:17 araki on prison guards in italy vs. florida, and the idea of the protagonist figuring out the rules of the stand to just outbullshit the enemy stand

- 1:32:09 1 episode a week is too little, 12 is too much, 3 at a time is the best for woolie

- 1:32:59 shoutout to kira buckland landing the part

- 1:34:34 pat on how jojo works: part skippers are scum. And jojo read order

- 1:36:00 take notes of the parts where the art suddenly goes super hard, on the amount of colors

- 1:38:47 the ending theme
- 1:39:50 the intro has a lot going on, wanting jotaro dolphin edits. His hat makes no sense
- - 1:43:37 newspaper paper mache as hair
- - - 1:44:25 queue watch news: the queue is based on maximum occupancy

WOOLIE

1:45:15 watched almost all of arcane. Pat only saw the first few episodes. The show is immaculate

- 1:47:21 looking at every character and thinking "they're probably someone." who is this mysterious masked character emanating maximum hip hop?
 - 1:49:55 that temper tantrum is amazing
 - 1:51:24 jinx as modern Harley Quinn energy. Himiko toga avatar energy.
 - 1:57:21 is jinx adc or mid...? And woolie buying into Vi's development.
 - 1:58:55 going over the script and fixing it so it makes sense, the choreography is great
 - 2:00:41 pat: the next time pat fucks up and logs out he'll finish arcane. Will any tops appear in the show?
 - 2:02:40 the intro
 - 2:04:00 is singed in the show?
 - 2:06:54 gotta remember they get summoned to the league at some point. Pat stating it as being uncanon'd and turning into the marvel vs capcom of the universe
 - 2:10:26 ekko's design
 - - 2:12:43 an update on the FFXIV queue saga: getting kicked out and queued at 3400
- 2:13:32 cozy birthday stream! Played some games with punch mom. Its raining and snowing outside. Remerai's get into kiting games
- 2:15:56 the short game made by one guy gave no issues. Fall guys however, was a huge mess. Epic buying it made it unplayable.

- 2:18:47 software integration is near universally disastrous

2:22:30 tetris, baba is you, and zero ranger. A cool shmup filled with references, a love letter to shmups. Dying levels you up. Can have multiple builds

- 2:26:23 "warning, you may attain enlightenment, do the impossible, or break the unbreakable"

- 2:27:56 a new intro every time he died

2:29:00 continuing SMTV and dokapon, dark souls on the channel. Also looking at happy chaos. Shoutout to tetris 99. Paat enjoying woolie enjoying tetris.

- 2:30:49 on retro games and being old. What it feel like seeing memes midway past the genesis of the internet?

- 2:34:10 pat encountering all your base as his first meme

- 2:35:08 growing up hearing about bands and films you dont know, watching older stuff

- - 2:37:16 pat and making teen girl squad references

- - 2:38:40 do you go back and look at old memes...?

- - 2:40:29 a madness combat game

- 2:42:00 woolie is going to play FF6. On what he's absorbed through osmosis.

- - 2:44:20 On what woolie has played in terms of FF.

- - 2:45:44 6 being where the identity got locked in stone, and the numbering for FF for the west. The FF7 commercial and skipping to 7 because its so much better.

- 2:49:28 go check that out on woolieversus on twitch and youtube! As fo rpat, he'll be playing FFXIV and halo over at patstaresat. And which version of FF6 to get?

2:53:28 SPONSOR: DOORDASH

2:56:50 SPONSOR 2: AWAY

3:00:28 SPONSOR 3: GREEN CHEF

3:03:50 the logistics of streaming/recording the game awards. Here's hoping the channel doesnt get nuked. Woolie pointing at the stands for chrono cross

NEWS

3:05:08 Virtua fighter x Yakuza. Virtua fighter now has yakuza outfits.

- 3:08:44 this collab is why you wont get kiryu in tekken. And pats worry that someone at sega is going 'we're going to see more virtua fighter with these costumes.'

- 3:11:45 sarah bryant's costume is goromi

3:13:33 rollback netcode coming to blazblue central fiction and crosstag. Woolie is hoping for Dragonball could get it soon. Samshow could get it too.

- 3:17:41 maybe even they'll port ultimax.... Ahahaha....

- 3:19:00 the intense copium and an optimistic future. And dragonball needing it.

3:21:11 baiken for strive. "Baikens outfit has not changed. Its a metaphor for Baiken players have never adapted in their life."

- 3:23:23 pretty much the same design. Woolie's bets on gameplay changes, and on a certain line she says referencing bedmans sister.

- 3:27:20 pat tells everyone why they're friends.

- 3:29:14 wanting to see the gameplay changes

- 3:30:26 if you like the idea of baiken but dont play, woolie says play the game. And on nagoryuki, he'll have to play both to see if he'll switch

- 3:31:49 "people will buy her so she wont be in the base roster."

3:33:55 breaking news: taking viagra reduces dementia and alzheimers by up to 69%

- 3:36:56 horny science is out there. On the science of vaginal secretions and semen... Pork up for your mental health

- 3:39:10 old folk's homes are a sex nightmare

- 3:40:32 viagra as a blood pressure medication

3:42:25 titanfall 1 shutting down and dice getting a new head. Woolie really just wants more titanfall...

- 3:45:17 battlefield 2042 is a disaster. A hotfix broke the use of the mouse.

3:47:39 spartacus is the name of playstation's upcoming subscription service and the 3 tiers of them. This totally isn't to do with the vice president being caught with a 15 year old boy.

- 3:50:47 the subscription for ps1, ps2, and ps3 games. Can download or stream them. On the race to shut down the store.

3:54:57 solar ash is out, the game by the guys behind hyper light drifter

3:56:16 it takes two got hit by a trademark claim from take-two interactive

- 3:59:32 josef fares is probably saying fuck take two

4:00:19 new trailer for spiderman: across the spiderverse

4:02:46 daredevil will be charlie cox in the MCU if he shows up. the casting in general was pretty good for the netflix series, like the kingpin.
