

## WHAT'S IN THE PANTRY?

The Pantry is excited to show off our new logo! We hope you like it as much as we do.

The Pantry is often told, "We're not that bad off. Let others use it." The Pantry is here to help you stretch your budget.

Come in for what we offer and use your funds elsewhere! The Pantry, thanks to the many donations received is now able to offer 10 different fish, poultry, and meat options. Currently the Pantry offers many healthy snacks such as pistachios, almonds, walnuts, and pecans. Trail mix and raisins are also on hand, along with the staples of cereal, soup, pasta, sauces, canned vegetables, juices, peanut butter and jelly. With the increased financial donations the Pantry has also purchased fresh produce like green peppers, broccoli, and cauliflower from the local grocery. Fresh apples and oranges have been donated and so has butter, Swiss, American, Cheddar, and Mozzarella cheeses. Local restaurants and suppliers have donated fried chicken, pizzas, ice cream, and chips.. These are especially welcomed as the Pantry doesn't purchase snack foods.

Please pass the word that we are here to help. Due to the decreased number of people asking to come in, the Pantry has been closed on Mondays and will be for July and August. But that doesn't include our Monday Nite Pantry held on the 4<sup>th</sup> Monday night from 5 to 6 and we are still delivering food to those 55 & older who have no other transportation to come in. Call the Pantry at 440 466 5500 for details or request an appointment.
