

Trail of a Kiwi Killer DAY 1

STEP 1: RESEARCH to find out about the Little Brown Kiwi

a) Find at least 3 facts and note them down here:

*
*
*

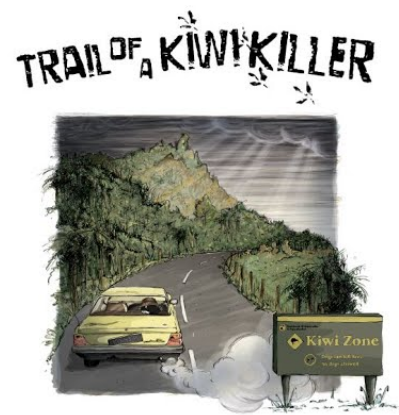

b) What physical characteristics does the kiwi have to survive?

* E.g Sharp claws to scratch/ dig for food

*
*
*

c) What are the threats to kiwi survival and how does the kiwi combat these?

*
*
*

STEP 2: PLANNING

Plan a new, improved kiwi by following the list of MAKEOVER adaptations below. Complete the template, giving a short written explanation of the changes you've made.

MAKEOVER	EXPLANATION (answer in the box provided)
MODIFY a feature or behaviour to improve the way it works or what it can do.	
ADD a body part to give it a new skill	
KNOCKOUT a part that is not that important	
ENLARGE a body part	
OVERTURN a body part (turn it upside down)	
VERIFY a body part. Keep it and explain why it deserves to stay.	
EXAGGERATE a body part or behaviour	

STEP 3: RECREATE

Produce an illustration on A4 paper if you are working on your own, or A3 if you are working with a partner. Label it with each MAKEOVER word to show the changes.
