Albanian Translator

Effective Date: 05 August 2025

Albanian Translator ("we", "our", or "us") is a mobile application that enables users to translate text between Albanian, English, and over 200 other languages. We value your privacy and are committed to protecting your information.

1. Information We Collect

We do **not** collect, store, or share any personally identifiable information.

However, the app integrates third-party services (such as advertising networks) that may automatically collect limited **non-personal data**, such as:

- Device details (model, operating system, etc.)
- IP address (for ads and analytics)
- Anonymous usage statistics (e.g., crash reports, performance logs)

This information is only used to improve performance and display ads.

2. How We Use Information

Any non-personal information collected by third-party services may be used to:

- Show relevant advertisements
- Monitor and improve app performance
- Analyze general usage trends

We do **not** log, store, or share any text entered for translation. All input is processed in real time and discarded immediately after showing the result.

3. Advertising and Third-Party Services

Albanian Translator uses **Google AdMob** and similar ad networks to display ads. These services may collect limited information in accordance with their own privacy policies.

For details, visit:

<https://policies.google.com/technologies/ads>

4. Translation Data

The text you enter for translation is **never stored or shared**. It is only processed instantly to generate the translation output.

5. Children's Privacy

This app is not designed for children under 13. We do not knowingly collect any data from children. If such data is identified, we will delete it immediately.

6. Data Security

We use standard security practices to protect user privacy. Since no personal or translation data is stored, your information remains secure.

7. Changes to This Policy

We may update this Privacy Policy occasionally. Any changes will be posted here with an updated effective date.
