- **Students in grades 7-12 are provided with textbooks and educational technology whenever necessary for in-class lessons and learning regardless of grade level, subject, or course. General binders and single subject notebooks are typically all a student will need regardless of the class or course a student takes. Our goal is to make all class/school supplies as simple as possible for students and families.**

- **Syllabuses/Overviews with specific course information for all classes are shared on the first day of school with details regarding content taught in the class, and a general outline of graded assignments for the year.**

- **Any specific supply needs for an activity, lesson, or assignment will be shared with the students/families by their teachers/instructors on an as needed basis, but may consist of a need for poster boards, markers, and other project supplies.**

**The Typical Universal Class/Course Supply Requirements are:**

- **Binders (1" or greater)**

- **Page Protectors for binders**

- **Loose Leaf Paper**

- **Single Subject (Or Multi) College Ruled Notebooks**

- **Pencils (Mechanical or Traditional)**

- **Standard Pocket Folders**
