Our goal is to have 55% of our students independently reading at or above grade level by April 1, 2023 according to the RAZ leveling assessment.</p> <b>Goal #2</b> <p>Seventy five percent (75%) of the students in each grade level will show mastery of the essential math and language arts standards by scoring 75% or higher according to grade level essential standard assessments during the 2022-2023 school year.</p> <b>Looking forward to 2023-2024 Goals</b> <ul style="list-style-type: none"><li>• Teacher would like to keep with same/similar goals</li><li>• Goals for 2023-2024</li></ul>	

**Goal #1**

- At the beginning of April of the 2022-2023 school year, 46% of our students were at or above grade level for independent reading. Our goal is to have 60% of our students independently reading at or above grade level by April 1, 2024 according to the RAZ leveling assessment.

**Goal #2**

- Eighty percent 80% of the students in each grade level will show mastery of the essential math and language arts standards by scoring 75% or higher according to grade level essential standard assessments during the 2023-2024 school year.

**Goal #3**

- ?

**Review Action Items**

- Switch IXL from Esser to Trustlands
- Hegridy for other grades
- Blake and Kristina will look into programs or materials to spend carryover money on
- Generation Genius

Did we meet the objectives?

Did everyone participate equally?

Were our decisions based on the analysis of data?

Did we commit to specific action steps that were clearly understood by all?

What did we do well?

How can we improve this meeting?
