 - If you are entered in 1 tournament as a boater, that will be your division.
 - Once you declare, if you go back and change, all points earned up to that point. They will stay in the division you earned them in.
 - You can opt to compete in the boater's division, even if you fish the season as a co
 - We will have an AOY champion for both divisions
 - The top 5 in each division will be eligible to have their dues paid for
