

COPYRIGHT TRANSFER FORM

Must be signed and returned to the Editor-in-Chief before the manuscript can be processed for publication.

The transfer of copyright from author to publisher must be clearly stated in writing to enable the publisher to assure maximum dissemination of the author's work. Therefore, the following agreement, executed and signed by the main author or corresponding author, is required with each manuscript submission.

A. Parties of the Agreement

Author (s): _____

The article entitled _____

(Herewith referred to as the "Materials"),

is herewith submitted for publication in

“Helium: Journal of Science and Applied Chemistry”

(Helium J Sci Appl Chem)

B. Subject of the Agreement

1. Copyright

- The Author and each co-author transfer the copyright and grant the journal the right of publication with the work simultaneously licensed under a Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International (CC BY-NC-SA 4.0) that allows others to share the work with an acknowledgement of the work's authorship and initial publication in this journal.
- Authors can enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in this journal.
- The author should sign the copyright transfer agreement when they have approved the final proofs before publication.

2. Author Guarantee

- The Author (and co-authors) guarantee that the Materials are original work, submitted only to He: JSAC, and have not been published previously.
- In case the Materials were written jointly with co-authors, the author guarantees that he/she has informed them of the terms of this Agreement and obtained their signatures or written permission to sign on their behalf.
 - The Author guarantees as well that: The Materials do not contain libelous statements.
 - The Materials do not infringe on other persons' rights (including, without limitation, copyrights, patent rights, and trademark rights).
 - The Materials do not contain facts or instructions that can cause damage or injury to third parties, and their publication does not cause the disclosure of any secret or confidential information

PLEASE NOTE:

- The accepted manuscript cannot be processed for publication until the publisher has received this signed form. If the manuscript is not published in the Journal, this release will not take effect.
- The sole responsibility for the article's entire content remains with the corresponding author. However, the editor would reserve the right to adjust the style to certain standards of uniformity before
