Hi Tania,

That atmosphere in your last reel is amazing, makes me feel calm and relaxed.
Where is this place?

And your reels are decent at getting attention. There's one simple thing you could implement to increase the engagement your reels get.

I see your reels are doing good at getting attention, and could heighten it with a slight detail.

For many people it made a massive difference.

Here's an example that I used for one of my clients:

[edit+cta example]

I have that same idea tailored for your style.

Would you like to see it?
