Quarter 1 Portfolio Self Assessment

Directions: Using your 6 traits rubric, assess the three pieces of writing you are turning in this quarter as candidly as you can. How you assess your papers will not affect your grade. What we want to see is a match in student and teacher assessment by the end of the school year.

Remember, the ultimate goal of all that we do is to empower you to judge your own writing BEFORE it goes to a teacher. If you can assess your own work, you will be able to improve it before turning it to a teacher for a grade.
