The Heritage Path Game

Name: Hassan Abdulrahman Al-Kaabi

Game Name: *The Heritage Path and Sustainability Game*

Idea of the Game

The game *Heritage Path* is inspired by Qatari heritage and aims to blend **concepts of Qatari traditions** with **the goals of sustainable development** in an **educational and fun interactive experience**.

Description of the Game

Each player starts from a different path (right or left).

Every path contains 15 squares that combine ideas from **Qatari heritage** and **sustainability goals**.

Players advance by **rolling the dice**, and on each square, they face a **question, challenge, or information box**.

The first player to reach the **center circle** wins.

Game Components

- A **round game board** with a heritage and sustainability theme.
 - **Numbered squares** showing symbols related to sustainability goals and heritage.
 - **Two playing pieces (for two players)**.
 - **Cards or a booklet** explaining each number or symbol.
-

Game Objectives

- Promote **environmental and social values**.
 - Learn about the **Sustainable Development Goals (SDGs)**.
 - Preserve **Qatari heritage**.
 - Encourage **discussion and exchange of ideas**.
-

Game Slogan

“With every step, we revive our heritage and build our future.”
