FICTION

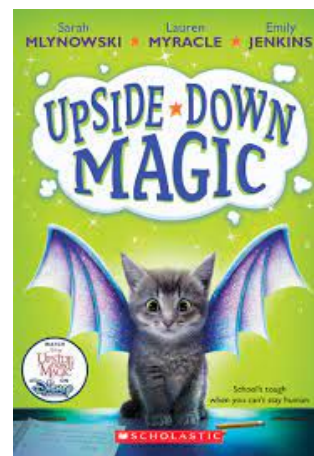

The World According to Humphrey by Betty Birney. Every day brings new learning and experiences for the class pet. He comes to understand that "You can learn a lot if you stop spinning and start listening." Series.

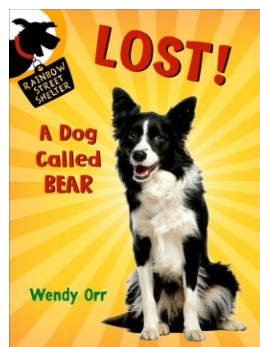

Dragons in a Bag by Zetta Elliott. Jaxon discovers his mean grandma is really a witch who needs him to deliver the dragons safely to a magical world. Unfortunately, he breaks the first rule: Don't let them out of the bag! Series.

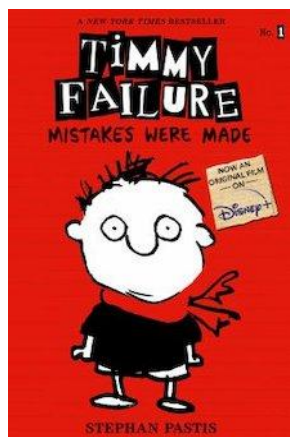

Saving Winslow by Sharon Creech. Louie finds himself in charge of caring for a fragile newborn mini donkey even though no one thinks "Winslow" will survive. Louie and Winslow prove to be stronger than anyone thought.

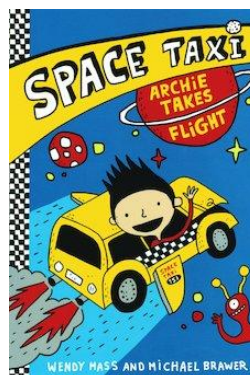

Upside Down Magic by S. Mylnowski, L. Miracle, and E. Jenkins. An 8-book series by three amazing authors. Nory Horace is able to transform into many different animals, but sometimes it doesn't go the way it's supposed to go.

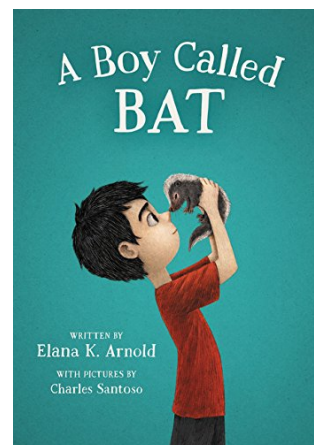

Lost! A Dog Called Bear by Wendy Orr. Logan's parents are getting a divorce so he is moving from the country to the city. During the move he loses his dog! He meets a person when he starts volunteering at the Rainbow Street Shelter and they discover they have a lot in common. 6-book series.

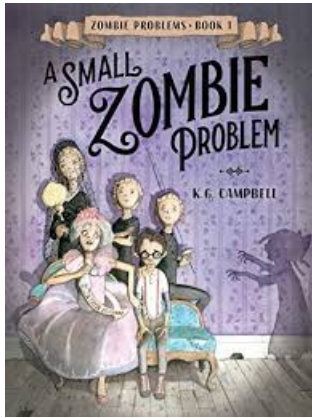

Timmy Failure by Stephan Pastis. Timmy Failure is book 1 in the Timmy Failure series. Timmy starts his detective business with his polar bear partner, Total, determined to earn enough money to help his mom pay the bills.

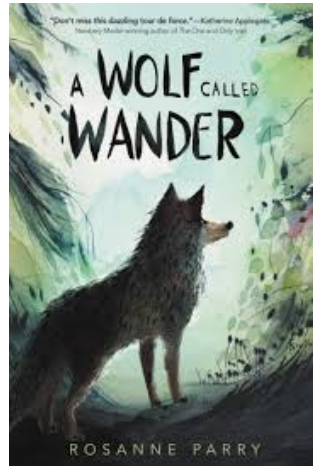

Archie Takes Flight by Wendy Mass. Archie is the first book in the Space Taxi series. In book 1 Archie learns that his father drives a space taxi that shuttles aliens from one area of the universe to another.

A Boy Called Bat by Elana K. Arnold. Meet Bat, an unforgettable third-grade boy on the autism spectrum, as he tries to show his mom that a baby skunk can be the perfect pet. 3-book series.

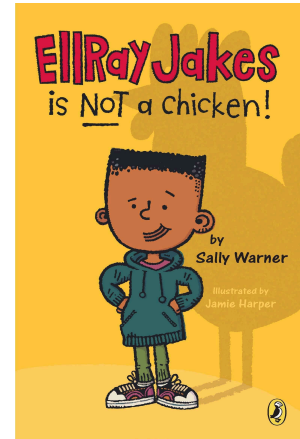

A Small Zombie Problem by K. C. Campbell. When August DuPont, eleven, leaves his eccentric Aunt Hydrangea's crumbling mansion for the first time ever, he meets a family, makes a friend, and attracts a zombie.

A Wolf Called Wander by Rosanne Parry. A young wolf cub, separated from his pack, journeys 1000 miles across the Pacific Northwest, dealing with forest fires, hunters, highways, and hunger before finding a new home. Based on the true story of a wolf called OR-7.

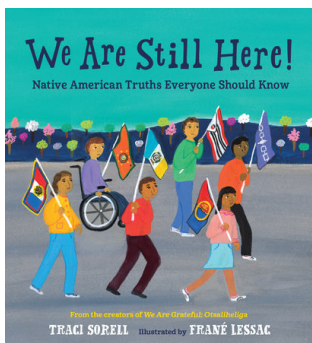

Big Foot and Little Foot by Ellen Potter. Hugo is a Sasquatch who wants to meet a human. Boone is a human who wants to meet a Sasquatch or any mysterious creature he daydreams about. What will happen when their worlds collide?

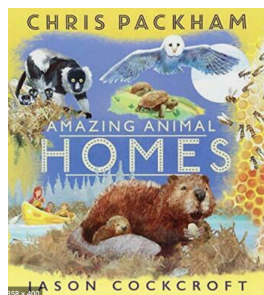

El-Ray Jakes is Not a Chicken by Sally Warner. If El-Ray can stay out of trouble for one week, he gets a trip to Disneyland. But does that mean he can't stick up for himself when he's being picked on?
