

August 31, 2026

Dear LaFargeville Families,

As you may know, Carthage Area Hospital will no longer sponsor the School-Based Health Center (SBHC) at LaFargeville Central School. We are excited to share that North Country Family Health Center (NoCo) will become the new sponsor of the LaFargeville SBHC this school year. We can't wait to welcome your students to the NoCo family. As we get ready to open, here are some important next steps.

Sign Up for the School-Based Health Center

If you want your child to receive care through the SBHC, you will need to complete NoCo's enrollment process. Your student can access the services of the SBHC even if NoCo is not your child's normal primary care provider or pediatrician. Please check the attached enrollment flyer for directions. ***Fill out the digital form as soon as you can, so your child is ready to receive care once the SBHC opens.***

Services and Hours

The LaFargeville SBHC will be open Monday through Friday, 7:45 a.m. to 3:15 p.m. Here's what will be offered:

- Medical care: Tuesdays and Thursdays, with Robin Frost, PA
- Behavioral healthcare: Monday through Friday, with Rebecca Hicks, LCSW
- Dental checkups and cleanings: Mondays, with Jillian Cipullo, RDH
- Dari Frezzo, LPN, will support the SBHC Monday through Friday

The SBHC works together with families, the school nurse, and the school district to make healthcare easier to access for students. There is no out-of-pocket cost for any school-based service. If you have insurance, we will bill it directly.

Thank you for your patience as we finish getting ready to open the LaFargeville SBHC under NoCo. We are excited to be part of the LaFargeville school community and look forward to caring for your students. If you have questions, please email me at hlupia@nocofamilyhealth.org or call (315) 782-9450 ext. 8086.

Sincerely,

Heather Lupia
School-Based Health & Community Relations Director
