3. Helmets MUST be worn. A bicycle helmet is allowed. A full face helmet is recommended.
4. Seatbelts are recommended.

9. Stock tires only. Tires may be covered with duct tape to prevent them from cracking or breaking. No screws in tires, no chains, etc.
10. All Power Wheels must have a number so they can be recognized by the announcer in the tower. You may use paint, stickers, or a small sign to do this. Decorative changes may be made to the Power Wheels vehicle to make it look like a derby car, but there can be no reinforcement to the Power Wheels vehicle. Changes and additions are DECORATIVE ONLY. Decorating is encouraged, as there will be a crowd's choice award.
11. Do not add something to the Power Wheels vehicle that could cause the child to not be allowed in the derby. Remember that THIS IS FOR KIDS. You would have a disappointed child on your hands if they aren't allowed to run.
12. All Power Wheels vehicles will be checked in and then impounded until time for their event.
13. One parent MUST accompany the child to the pit area. One parent may be allowed on the track with the child during the event.
14. Each heat will be given a time limit.
15. If a child gets out of the Power Wheels vehicle during the event, that child is disqualified.
16. If the Power Wheels vehicle has more than one speed, the lowest speed must be used.

PARENTS: Please don't forget that this is for fun. This is a great way to teach your child good sportsmanship. Although we will have trophies this year, we want the kids to have fun and get used to being on a track so they can keep derbies alive when they grow up. After all, they are the future of this sport.
