Any Manboobzer is welcome to contribute to this list! However, to prevent troll vandalism, I'm asking everyone to leave comments (either on Manboobz or using the Googledoc comments) of their suggested changes, and I'm the only one who can actually edit the doc. You can also email me at teratomatastic@gmail.com

Quotes from CassandraSays, Katz

Random Protip - If there's over 400 comments on a Manboobz post, there's a troll in the dungeon.

NWOslave – Manboobz 2011 troll of the year.

owly, slavey

All you need to know about NWOslave can be found in [The Book of Learnin' - Indispensable Facts About the Universe from NWO Awards Season Edition \(Not for Resale\)](#)

MRAL – Men's Rights Activist Lieutenant, Mr. Al, Josephine (recent sockpuppet), **STEELE**
OMG WHAT

Note - saying his name will put your comment into moderation. He's like Voldemort.

"Mr Al crossed the line for me when he went and found my dating profile and then referred to it on another blog as a reason why I shouldn't be allowed to have opinions about "incel" men – hey there, creepy kid! Someone needs to learn the concept of boundaries!" –CassandraSays

Steele - Manboobz troll of the year 2012, then we found out he was MRAL

Varpole, Torvus Butthorn

"Steele tried to trap us in a cunning rhetorical snare with "Either you admit that my misandrist teacher ruined my writing skills or you admit that I'm a rhetorical genius!" – Katz

Known for: Overusing the word 'vile'

"Jester's Fool"

Thought to be a unique troll, but ohshit he's Mr Al

Tom Martin – 2012 winner of Worst Human Being troll award

Sued a library because their chairs were too hard, which is misandry. [Had a huge meltdown in the comments of the manboobz post about him](#), during which he said that female penguins are whores. [Highlights of said meltdown can be found here](#).

Pell

Too many sockpuppets to list here. Banned when we find out about him, but it's like playing whack-a-mole.

[Katz wrote his biography from the various things he's said about himself](#). It's hilarious, and you should read it. Sadly, the links to his individual posts are broken.

Suggested Response - Just play along, the more you toy with him, the funnier he gets.

[Example of sockpuppet \(John Thomas\) trolling](#), and subsequent smackdown by Argenti Aertheri

Diogenes the Cynic –aka Diogenes the Naïf, Naive/Naïf, “Dingleberry the Frothy”

Wants you to know exactly how ‘intelligent’ he is – to the point of absolute ridiculousness.

Claims to have passed the mensa test while blackout drunk and is currently solving the Voynich Manuscript (or at least emailing some websites and calling that research).

Suggested response: Explaining why what he's claimed is unimpressive or downright wrong. Extra points if it's by an expert in the field.

RubyHypatia – Likely a false flag MRA. Claims to be a feminist, but is more of a strawman.

Nowadays only does drive by, one sentence comments.

Suggested Response: “Shut up, Ruby”

David K. Meller - aka DKM

“Does anybody STILL think that more than the most rudimentary education for women is a good idea?”

“I’m “bothered” by OVER-educated women, and their goofy girlfriends, because too much of either friendship or education ruins women for wifehood and domesticity,”

Pecunium's rules of sockpuppeting - because it's relevant

Some people are more prone to socks than others.

The general rules I've noticed are:

1: Has something to prove.

2: Feels they are being denied the opportunity to speak.

2a: Is an outlier position, with little support.

If they are banned from speaking (directly, or indirectly) they may resort to a flat out sock.

If they are being isolated from a lack of support they may engage in secondary sock-puppeting (a la Torvus Butthorn).

So Owly, Meller, sunshinemary, et. al, aren't likely to sock because they don't feel the need.

Owly and Meller thrive on being abused (Meller less than NWO), and the sunshinemary's of the world make being the, "Truth-telling Outsider" their persona.

The last is the least likely to out and out sock, and they will be more likely to ask someone else to come in and lend support than to pull a Butthorn; since they inhabit other fora where their views are praised. They don't need to "win" to get validation, merely to, "preach the good word".

They actually get more validation from being denied victory, since it allows the martyr complex, and the sense of persecution for, "the right" to reinforce itself.
