About the Session Presentations:

To provide employment opportunities to the students attached to the SBC / Institution members attached to your chapter especially for the colleges not visited by top MNCs for their campus recruitment, CSI Chennai chapter has requested Zoho Corporation to conduct tests for interviews from the enclosed list pertaining to your chapter. Across Tamilnadu and Pondicherry, a total of 1335 participants have registered from both Engineering Colleges and Arts and Science Colleges. To Ease and support students to take up tests and interview without fear and doubts, CSI Chennai Chapter along with Coimbatore, Trichy, KJancheepuram and Trivandrum Chapters is arranging this webinar on "How to Crack IT Interviews and Technical Tests". The webinar gives guidelines to students on How to face HR interviews, how to crack the coding test questions with optimized results, how Soft Skills play a vital role in hiring decisions and latest trends and challenges of HR Procedures.

About the Speakers:

Mr. H.R. Mohan is a seasoned IT professional with over four decades of experience in ICT field. He has seen the growth of Computing in India and has been a part of the IT Community through various technical associations such as Computer Society of India (National President 2014-15), IEEE Computer Society (Chairman, of Madras Chapter 2006-15), Association of Computing Machinery – ACM (Chairman 2019-) and IEEE Madras Section (Vice Chairman 2013, 2015-17). Mr, Mohan is the 1976 batch alumnus of IIT Madras. Till mid-2014, he had served as the Associate Vice President of Systems at India's National Newspaper. He was instrumental for the Internet Publishing of The Hindu – first newspaper from India to go online way back in 1995. Mr. Mohan is well known in the Information Technology Professionals circle. He is a Fellow, Life Time Achievement Awardee and Past President of the Computer Society of India. Mr. Mohan had received the prestigious 2017 IEEE MGA Leadership Award for his contributions to IEEE. Earlier, he has also received the IEEE Computer Society Meritorious Service Award and was also inducted as a Golden Core Member in the elite group of less than 500 in the IEEE Computer Society.

C.S. Maithreyi is a seasoned HR leader with 9+years of experience across multiple HR spectrum. She has worked with TCS and Wipro in India and is currently heading HR and operations at Singapore Indian Fine Arts Society (SIFAS), Singapore. She has played variety of leadership roles from leading resource management for largest branch of TCS (Chennai) with 80k employees, to heading diversity and inclusion and talent management for one of the largest services practices of Wipro. She holds a masters in HR from DG Vaishnavi, Chennai. She is certified in six sigma green belt, certified in business analytics from National University of Singapore and is also a certified lego serious play practitioner accredited by Rasmussen consulting in Los Angeles, USA. Maithreyi and her husband run a not- for-profit story telling venture called “MaDhi - the story tellers” and have been spinning stories for children and corporates in India, Singapore and Hong Kong. She has hosted 500+ events and has made several public appearances, delivered lectures at WERC, Tamil Nadu Engineers conclave, Madras management association and several academic institutions.

Dr. Priya Vijay, Chair, CSI Chennai Chapter currently working as Associate Professor in the department of Computer Science and Engineering in Rajalakshmi Engineering College. She has 15 years of experience in academics and 4 years of experience in industry. She did her graduation B.Tech. Computer Science in National Institute of technology, Trichy and did Post graduation M.E. Software engineering in Rajalakshmi Engineering College. She completed doctorate from Anna University in domain Evolutionary Computation. She is WIPRO certified engineer to take Talent Next Training to engineering college students in placement training. She was involved in placement training for a decade in her college training students to take up technical tests and interviews in campus interviews. She published 25 papers in journals and conferences. She competed two consultancy projects as principal Investigator and one Research proposal from DST – Tide as Co-principal Investigator. Currently she is working in one consultancy project and one research proposal. She mentored students and won One lakh Prize amount in Smart India Hackathon conducted by MHRD and AICTE.

Mr. Saravana Kumar is a Social Entrepreneur and has been the Placement and Career Development Consultant for Government College of Technology, Coimbatore, and previously the Director of Cognizant Technology Solutions. He has 30+ years of global and progressive leadership experience in managing large programs and engagements in various capacities for Fortune 500 companies as IS Specialist, IT Manager, Test Manager, Project Manager, Program Manager, Delivery Manager, Account Manager and Director. He has rich experience in managing and delivering IT projects in Retail, Financial Services, Telecom, Printing / Publishing, Manufacturing, Mobility and Healthcare domains in India, USA and Canada. He holds a master’s degree (MCA) from PSG College of Technology and is an active PSG Tech Alumnus and Board of Studies Member. He has been associated with Computer Society of India – Coimbatore Chapter for several years in various positions and currently serving as Honorary Treasurer. He is also a Management Committee Member of RAAC (Residents Awareness Association of Coimbatore). He has effectively conducted training on Soft Skills for Arts & Science, Engineering and Medical College students and faculty.

Mr. Sudarsan serves as Vice President and heads the Chennai Branch at Datamatics Staffing Services Limited. He and his team specialize in Middle management and Leadership hiring for Corporate Clients in the Information Technology and Outsourcing sectors. During his 20 years stint with Datamatics Staffing, Mr. Sudarsan has successfully led several Executive Search mandates such as CTO, Head of Actuarial, CHRO, CISO, Agile COE Head, etc. for leading Indian Corporates and MNCs. He has also been responsible for acquiring and managing a few key clients in South India across sectors such as FMCG, Retail, Manufacturing, etc. Mr. Sudarsan is a consummate Executive Search professional and enjoys undertaking head-hunting assignments.

Mr. Mohammed Sohail serves as Manager, HR in Zoho Corporation. After his graduation he started working in a firm in Saudi Arabia, as HR Executive, for about three years and then came to India for further studies. He Joined Madras School of Social Work and completed Post Graduate Diploma in Personnel Management and Industrial Relations. After which he was working with a placement consultancy for a short while before joining Zoho. It was known as Adventnet those days, with about 350 employees. Today it is called as Zoho and has around 10,000 employees. He currently heads Talent Acquisition and International Operations. He is with Zoho for almost 20 years.
