

CURRICULUM VITAE

Yeseul Lee

Department of Child and Family Studies (Human Life & Innovation Design, Development), Yonsei University
yslee0822@yonsei.ac.kr

RESEARCH INTERESTS

Child and family studies · Parent–child relationships · Adolescent development · Digital parenting · Digital literacy · Cyberbullying

EDUCATION

Yonsei University 2022 – Present
Ph.D., Department of Child and Family Studies (Human Life & Innovation Design, Development) · Seoul, South Korea
Advisor: Dr. Hyoun Kyoung Kim

University of Oregon 2024 – 2025
Visiting Pre-Doctoral Fellow, Family and Human Services (Prevention Science) · Eugene, Oregon, USA
Advisor: Dr. Jennifer L. Doty

Yonsei University 2019 – 2021
M.S., Department of Child and Family Studies (Human Life & Innovation Design, Family & Gerontology) · Seoul, South Korea
Advisors: Dr. Hey Jung Jun & Dr. Hyoun Kyoung Kim

Chonbuk University 2015 – 2019
B.A., Department of Child Studies · Jeonju, South Korea

RESEARCH EXPERIENCE

SSK Project — ADDS (Alpha Generation Digital Daily Survey) 2021.09 – Present
Student Researcher · Seoul, South Korea

Project topic: Longitudinal data collection on Generation Alpha (daily diary, online survey, computerized neurocognitive testing)

P.I.: Dr. Hyoun Kyoung Kim

- Served as a core team member driving day-to-day execution of a 4+ year longitudinal study on Generation Alpha children's digital lives and development
- Directed multi-method data collection — daily diaries, online surveys, and computerized neurocognitive testing — across a cohort of 400 children and caregiver dyads, coordinating both online and in-person protocols
- Owned the longitudinal data pipeline from 2022 to 2025, safeguarding data integrity and continuity across multiple assessment waves
- Administered and scored computerized neurocognitive function (CNT) assessments with child participants
- Co-authored manuscripts and led preparation of conference papers and poster presentations stemming from the project
- Managed IRB submissions and compliance documentation throughout the project lifecycle
- Performed advanced data cleaning and file management using SPSS and Mplus

TECH Check-up 2024.08 – 2025.03
Student Researcher · Eugene, Oregon, USA

Project topic: Intervention for adolescent digital media use

P.I.: Dr. Jennifer Doty, University of Oregon

- Contributed to the design and execution of a digital-media-use intervention study for adolescents
- Actively participated in weekly research meetings, helping shape study planning and progress reviews

Cyber Spillover Study

2024.04 – 2025.03

Student Researcher · Eugene, Oregon, USA

Project topic: Spillover effects of cyberbullying on family and peer relationships

P.I.: Dr. Jennifer Doty, University of Oregon

- Supported a research team investigating how cyberbullying experiences spill over into family and peer relationships
- Led online survey data collection from adolescent and caregiver participants
- Managed data cleaning and file preparation using SPSS 26.0

Development of Data-Based Child Stress Care Digital Platforms and Devices

2023.02 – 2023.12

Student Researcher · Seoul, South Korea

Project topic: Multimodal data collection from 200 children

P.I.: Luman Lab Company

- Designed protocols for cortisol data collection based on the MAST protocol
- Supervised training programs for assistant researchers
- Managed smartwatch/smart-band protocols for biological data collection
- Collected biomarker data (cortisol, heart rate, sleep patterns, CNT cognitive function)
- Co-authored publications and delivered conference and poster presentations stemming from the project

A Longitudinal Study on the Establishment of a Student Growth and Adaptation System

2022.08 – 2023.12

Student Researcher · Seoul, South Korea

P.I.: Dr. Hyoun Kyoung Kim

- Directed large-scale online data collection from 5,000 students (elementary through high school) and their caregivers
- Built and maintained the master dataset, codebooks, and user documentation for the research team
- Managed data cleaning and analysis-ready file preparation using SPSS and Mplus
- Led preparation and submission of research manuscripts and presentations
- Coordinated IRB compliance processes
- Facilitated weekly research team meetings

Digital-Based Comprehensive Neurocognitive Function Test on Generation Alpha

2022.04 – 2023.12

Student Researcher · Seoul, South Korea

P.I.: Dr. Hyoun Kyoung Kim

- Administered and managed computerized neurocognitive function (CNT) testing sessions with child participants
- Coordinated research preparation, submission, and IRB documentation
- Facilitated weekly research team meetings

Developing Digital Literacy through Community Integration: A Senior–Young Adult Mentoring Program 2022.03 – 2023.12

Student Researcher · Seoul, South Korea

Project topic: Intergenerational integration between older and younger adults through digital literacy

P.I.: Dr. Hyoun Kyoung Kim

- Helped design and coordinate an intergenerational digital-literacy mentoring program connecting older adults and young adults
- Co-authored publications and delivered conference and poster presentations from the project
- Coordinated IRB compliance and facilitated research team meetings

- Managed data cleaning using SPSS and Mplus

Nottingham Trent University – Summer Design School

2023.07.10 – 2023.07.21

Program Participant · Nottingham, United Kingdom

- Selected as one of a small group of outstanding students from the Department of Child and Family Studies and the Department of Integrated Design
- Represented the department in a two-week interdisciplinary research collaboration
- Delivered an English-language research presentation to international faculty and peers

Solution-Focused Therapy Association, Qualification Management Committee

2020.01 – 2021.01

Administrative Assistant · Seoul, South Korea

- Managed certification processes and records for professional practitioners
- Maintained qualification requirements and standards for solution-focused therapy credentials
- Coordinated logistics for related academic and training events

Konkuk University Research Institute on Health and Ageing

2020.07 – 2020.10

Research Assistant · Seoul, South Korea

- Conducted focus group interviews and structured interviews across community and clinical settings
- Led qualitative and quantitative (SPSS) data cleaning
- Participated in monthly project meetings

Exchange Program, Scandinavian Institute of Policy Studies

2019.07 – 2020.01

Administrative/Research Staff · Stockholm, Sweden

Project topic: Family policies of Sweden

Supervisor: Dr. Y. H. Choi

- Contributed to research on Swedish family policy as part of an international exchange program
- Co-authored related publications and conference and poster presentations
- Participated in weekly research team meetings

TEACHING EXPERIENCE

Teaching Assistant

Statistical Seminar

2025.09 – 2025.12

Teaching Assistant · Yonsei University

- Independently led weekly 1-hour statistical practice sessions for a graduate Statistical Seminar course across a full semester (15 weeks)
- Supported the professor (Dr. Hyoun K. Kim) with course management, materials preparation, and data-analysis exercises
- Mentored students on statistical analyses using SPSS and Mplus

Undergraduate & Graduate Mentoring

BK21 Mentoring, 2025-1

2025.03 – 2025.08

Mentee: Y. J. Bae (graduate student) — 4C skills

BK21 Mentoring, 2024-2

2024.09 – 2025.02

Mentees: K. S. Lee & M. J. Park (graduate students) — longitudinal data methods

Honor's Project

2024.05 – 2025.02

Mentor · University of Oregon — led by Dr. Jennifer Doty

Mentee: Kate Gunther (University of Oregon undergraduate)

Project: Youth social skills, sense of belonging, and high-risk behavior in relation to online solicitation for human

trafficking

BK21 Mentoring, 2024-1

2024.03 – 2024.08

Mentee: K. S. Lee (graduate student) — Growth Mixture Modeling; resulting poster presented at SRCD 2025

BK21 Mentoring, 2023-2

2023.09 – 2024.02

Mentee: H. J. Lee (graduate student) — international data on adolescent development

BK21 Mentoring, 2023-1

2023.03 – 2023.08

Mentee: M. J. Lee (graduate student) — Generation Alpha research

PROFESSIONAL SERVICE

28th Biennial Meeting of the International Society for the Study of Behavioural Development (ISSBD 2026)

2025.02 – 2026.06

Secretariat / Local Organizing Committee · Incheon, South Korea

- Served on the Local Organizing Committee for the 28th ISSBD Biennial Meeting in Incheon, supporting conference planning and on-site operations under the direction of Dr. Hyoun Kyoung Kim (Chair) and Dr. Hyunjoo Song (Co-Chair), Yonsei University

HONORS, AWARDS, AND SCHOLARSHIPS

2025.08 Doctoral Student Research Fellowship (₩40,000,000), National Research Foundation of Korea (NRF)

2025.03 Outstanding Poster Paper Award, The Korean Association of Child Studies

2024.10 Best Poster Paper Award, The Korean Association of Human Development

2024.03 Overseas Training Scholarship Recipient, BK21 Program, National Research Foundation of Korea (NRF)

2024.02 Encouragement Award for Excellent Paper, Yonsei University

2023.11 Yonsei Junior Research Group Contest Award, Yonsei University

2023.09 Recipient of Research Funds for Graduate Students, Yonsei University

2023.06 Outstanding Poster Award, 12th IAGG Asia/Oceania Regional Congress 2023

2023.02 Excellence Award, 'Social Innovation Research', Yonsei University

2023.01 Best Paper Award – Academic Support Program, Yonsei University

2022.12 Best Paper Presentation Award, The Korean Gerontological Society

2022.12 Best Poster Award, The Korean Gerontological Society

2022.09 Graduate Student Idea Incubating Fund Research Scholar (IIF), Yonsei University

2022.08 Yonsei ICONS Interdisciplinary Research Scholar, Yonsei University

2022.05 Best Poster Award, The Korean Gerontological Society

2019.09 Graduate Assistant Scholarship, Yonsei University

CERTIFICATES

Family Life Educator (Ministry of Gender Equality and Family, Republic of Korea; 건강가정사)

Childcare Teacher, Level 2 (Ministry of Health and Welfare, Republic of Korea; 보육교사 2급)

Solution-Focused Counseling Specialist, Level 3 (Korean Association for Solution-Focused Counseling and Therapy; 해결중심전문상담사 3급)

Computer Application Proficiency, Level 2 (Korea Chamber of Commerce and Industry; 컴퓨터활용능력 2급)

MOS Master (Microsoft Office Specialist)

Ukulele Instructor, Level 3 (Korea After-School Education Association, approved by the Ministry of Education, Science

and Technology; 우쿨레레지도사 3급)

Korean History Proficiency Test, Level 2 (National Institute of Korean History; 한국사능력검정시험 2급)
