Hope Farm

Mission/Vision

Fatherless boys face a troubled future. At Hope Farm, we guide at-risk boys to become Christ-centered men of integrity so families are strengthened and the cycle of fatherlessness is broken. We measure success in demonstrable behavioral change.

Program Details

Leadership Development Program

- Body: Development through sports, wellness checks, camps, & meals.
- Mind: Enrichment through reading, writing, speaking, computers, STEAM, financial literacy, proactive planning, perspectives, field trips, & critical thinking
- Spirit: Discipleship through character building, bible study, social skills, perspectives, & prayer

Mothers' Resource Program

- Assists the moms with spiritual and inspirational encouragement and provides structural tools to help them partner with HOPE Farm.

Vocational Center

- *Provides opportunities, training, certifications, and internship placements that will allow our students to go directly into careers.*
- *Partners with colleges and businesses*

MARIO CHOICE: HOPE FARM

Mario Choice is the Leadership Program Director at Hope Farm. He was born and raised in Fort Worth, Texas and received his education from Trinity Valley Community College and Langston University. As a former Assistant Principal, Athletic Director, and Youth Pastor, God prepared “me” for many roles at Hope Farm. “Hope Farm is important to me because it prepares our young men spiritually, mentally and emotionally for the future.”
