Meeting Notes: October 8, 2024 3:30 PM in the faculty room

Tiffany Cowley opened the meeting. She went over the information on the Title 1 school-parent-family learning compact, let them know we added bring your own technology to the compact. Went over the TItle 1 letter that gets sent home yearly to the students that get serviced with Title 1. There are some things we have changed, so we will be adjusting the letter as well.

Rules of Order were disbursed as well as the website for the state site.

David Malley was nominated to be in chair. All were in favor. Maree Hansen nominated Amber Jones to be Vice Chair. Kari Alton seconded the motion. All were in favor.

Went over the budget that is being utilized this year with LT funds.

Scheduled our next meetings for Wednesday, January 15th, and Wednesday March 12th, and Wednesday May 7th at 3:30 for each date in the faculty room.

Reading goal was not met last year, so we will be trying to meet that goal this year. We have implemented cross age tutoring and a reading incentive program. We have developed a strong support for on-line reading as well. Tiffany went over the updated reading program and its curriculum changes.

We will have a second point of data for the next meeting that we can review.

Discussed the safety plans that are being implemented with new state laws.

Reviewed the Positive behavior plan.

David Malley made a motion to adjourn the meeting.

Meeting ended at 4:15

- DATE, TIME, AND LOCATION OF MEETING:
   Cottonwood Elementary School 3:30 p.m. January 17, 2024.
- NAMES OF MEMBERS PRESENT: John Hughes; principal, Gayla Luke; secretary, David Malley: chairman, Jenny Stoker, Kari Alton
- NOT PRESENT: Jane Heineger, Amber Jones
- WELCOME: Committee chair David Malley welcomed all and brought meeting to order turning time over to John Hughes; principal.
- BRIEF STATEMENT OF ITEMS FROM MEETING AGENDA:

REVIEW AND APPROVAL OF MINUTE OF LAST MEETING: It was noted that the date from the last meeting should be amended from the 29<sup>th</sup> to the 28<sup>th</sup>. This was motioned by Kari Alton and seconded by Jenny Stoker and will be corrected.

LAND TRUST BUDGET UPDATE: A graph showing the current trust plan with accounts of each budgeted expense including what expenses have been encumbered and the percentage of money left in each account was shared with the council.

Expenditure summary shows that all is on track as planned.

The software account does show and overage of \$202.00. This is due to increase in quotes for renewal costs of programs. The overage will be absorbed from the unallocated funds account which is currently built into our plan.

SCHOOL ATTENDANCE REPORT: Data shows that our attendance has gone down by 0.75% and absences have gone up by 0.75%. We feel that is due to a higher than usual amount of sickness among the students since Christmas break.

SCHOOL PRGRESS REPORT: Several reports using data was shared showing progress reports from beginning of school-August 16 thru January 16. Report from MyLexia shows that out of 116 students at the beginning of the school year, 28% moved into of above Grade Level Material. Splash Learning graph was also looked at. This report shows a breakdown by grade of Learning Objectives, Learning Objectives Practiced, Problems Answered and percentage of accuracy.

SOCIAL, EMOTIONAL LEARNING UPDATE: a list of all that Mrs. Debry is working with the students by grade was listed including what lessons and tools she has planned for each class in the future.

CYBER SAFETY/DIGITAL CITIZENSHIP: Our students continue to address this each week as part of instruction time in the computer lab. Notes from Mrs. Magnuson were included for each of us with our agenda catching us up to date on which programs and lessons she has been sharing with the students. She is using the Skill Struck program and they have been focusing on what a digital footprint is and means.

DISCUSSION OF AND PLANS FOR NEXT YEAR'S PLAN: Committee discussed if we were interested in keeping the same State goal for next week of if we would like to change it up some or stay with it as it is. Also, this year's plan lists the RISE ELA data as the main tool used for final measurement. Would we like to add other tool and/or criteria to next year's plan?

It was decided that these and other areas of discussion will be tabled until our next meeting when it is planned to go over the proposed plan for school year 2024/25. It was also decided that Mr. Hughes would draft this plan and present it to committee for discussion and any changes that would be decided upon.

ADJOURNMENT: It was motioned by David Malley and seconded by Kari Alton that this meeting would be adjourned until the next scheduled meeting on March 16th at 3:30 p.m. held at Cottonwood Elementary.

- NOT PRESENT: Jane Heiniger
- Meeting was brought to order and members welcomed by chairman, David Malley. Discussion was turned over to Mr. Hughes, principal.
- BRIEF STATEMENT OF ITEMS PROPOSED, DISCUSSED AND/OR DECIDED Land Trust Budget Update and Schoolwide Attendance. Reports from each of these subjects were looked at and discussed. Budget expenditures are going as planned and on budget. School attendance report shows that we have 93.68% attendance with 6.32% absence for the school year thus far.

Mr. Hughes shared copies of reports from software programs purchased with Land Trust funding. These reports show how each program is used in the school, how it tracks each student's data, etc. for the following programs.

<u>Aperture-</u> Tracks the social/emotional learning and needs of our students. Each student is assessed three times a year; in September, January and April.

<u>My Lexia-</u>Report showing by class- students with usage, students that are meeting usage expectations, and percentage of students meeting usage. Also shows their progress from the beginning of the year.

<u>Acadience Math</u> - This report shows a breakdown by each class in several different areas of math depending on grade level content. It also will include assessments three times per year.

- DIGITAL CITIZENSHIP UPDATE: This continues to be taught each week in the computer lab. Doug Johnson from the district tech department commented that he sends out updates via e-mail to each parent on this subject as is deemed necessary and helpful. Council discussed if this was the most efficient means of communication for this topic and will continue with future discussion and suggestions.
- WRAP-UP OF MEETING: David asked council members if anyone had any other business to discuss or comments they would like to share. Meeting was dismissed. Next meeting is scheduled for January 17<sup>th</sup> 2024.
