

Tim & Charisse met at the Chinese Community Church of Washington, DC, while serving together in the College/Young Adult ministry. After 2.5 years of friendship & 2.5 years of courtship, we have been married for 20 years & counting!

God blessed us with our 5 adorable children. Through our journey as a large family, by God's grace, we've matured significantly amidst the hills & valleys of our marriage, as well as our children's youth, teen, & young adult years. Therefore, we have a big heart towards marriages & families who wish to receive encouragement. We welcome the opportunity to walk alongside couples, praying & supporting them with God's great love.

We do our best to humbly serve the Lord for His glory. As a family, we have been active (in the past & present) with various ministries including ministry team leading (CCC-DC), Board membership (CCC-DC), worship leading, Children's Ministry & Teens Group, Sunday school, cell group, Dorcas Center short term missions, Montgomery County Fair Face-Painting/Drama, discipleship, and now, Marriage Mentoring. As a result, we admit that our household is bustling with service for Christ and we receive God's strength to manage it all. We strive to pray for & encourage others to know Christ & accept Him in their hearts.

We recently started our new chapter in family life of being Sandwich Generation Care-Givers. We humbly receive God's love, wisdom, & strength to balance the need to live with & care for our dear Grandma, while also care for our children. As a result, we are continuously being refined in humility & God's unconditional love. Therefore, we wholeheartedly invite other couples, who wish to receive marriage mentoring support, to join our team's marriage mentoring ministry so that our team ministry can help strengthen marriages for God's glory.
