

Kenyon-Wanamingo/Goodhue Golf 2023

We are excited to welcome golfers in 7th-12th grade of all skill levels, experience, and diversity. We are a no cut program and look forward to having as many student athletes participate and learn about this life-long sport as possible! We want participation in KWG golf to be a positive learning and playing experience. It is our goal to field a competitive varsity program and teach and coach players at all levels of the game.

All student athletes must have a current physical on file with the Athletic Department prior to participation. Physicals are current for three years. Returning student athletes, check with the Athletic Department to determine if your physical is current through the 2023 Spring season.

When the golf courses eventually open, student athletes must coordinate and provide their own transportation to and from practices.

KW/G Golf Mission Statement

The purpose of the KW/G golf program is to develop student athletes, positive attitudes, learn how to work in a team environment, set short and long-term goals, and better oneself through discipline, accountability, and responsibility. The expectation is that all members of the team always represent KW/G Schools in a positive manner.

Practice

Every golfer will be expected to have their own equipment (bag, clubs, and balls) and attend team practices. Golfers must also let me know in advance of any practice they will be unable to attend. My cell number is 507-271-5949. When weather is permitting practices will be held at the Kenyon Country Club. Practice times are from 3:30-5:00 for KW students and 3:45-5:15 for Goodhue Students. Golfers are welcome to stay and play longer on the course if they have made accommodations with parents, coach, and golf course.

Inside Practices:

Until we are able to get outside and use the golf course we will plan on having practices inside. Golfers will need one or two clubs for these days (5 or 6 iron) to hit into a net. These practices are usually 45 min to an hour. Kids will be hitting golf balls and working on their grip, stance and swing during practice time. Once we have outside practices, if weather is bad, practices would be cancelled.

Schedule:

March 20th – First day of Golf Practice – Goodhue PAC meeting – 3:30

March 21st – KW PAC meeting – 3:30

March 22-24 – No practice

March 27th – Practice at KW – 3:30

March 28th – Practice at Goodhue – 3:30

March 29th – Practice at KW – 3:30

March 30th – Practice at Goodhue -3:30

We will continue this practice schedule (Mon. Wed. in Kenyon and Tue. Thur. in Goodhue) until the Kenyon Country Club is open for us to use.
