

**Prospect High School
Theater Program
Sponsorship Agreement 2025-2026**

For over 60 years the Prospect High School Theater Department has been entertaining the community with many quality plays and musicals. The Theater Department has indeed touched the lives of many students, families and community members. We are inviting you to become a sponsor for the current 2025 season! We rely on your business support to accomplish the many goals that are involved in an endeavor such as this. Your sponsorship last year was so appreciated and needed, and this year will help generate the much needed revenue for the department and will be used for production expenses, materials and publicity.

During the season, our audience patrons will see our amazing productions (*Two different versions of Romeo and Juliet*, and *Improv Show hosted by alumni Chris Petlak- morning host 101.9,- an evening of sketch comedy called Friday Knight Live*, a full production of *William Shakespeare*, and *Something Rotten in the spring*), and those patrons will see your ad or name listed in our programs and promotional items. All support and donations are greatly appreciated. This year you can be a sponsor for an individual production or you can be a sponsor for the entire school year's productions. We are reaching out to you now because you supported the entire season last year and we wanted to see if you would be interested in sponsoring again.

The following advertisement options are available to local businesses wishing to support our theater arts program and help defer the costs of scripts, materials, huge rentals, and licensing rights in the production of our shows. All funds given are considered donations and therefore tax deductible by the giving company. We rely on your donation to support our productions. Advertisements will be run in the program, playbill, website, and socials. About 3,000 people attend these productions annually. They will all receive playbills/programs (both printed and digital) and have access to the website and view all advertisements.

There are a variety of sponsorship opportunities available to show your support. Because we are a school-based program, your efforts go to supporting a program that gives students an opportunity to not only explore the amazing world of theater, but also themselves.

Please help us continue to give students an unforgettable journey in the arts. Contact jeremy.morton@d214.org with any questions.
