How do commissions work?

You commission the artist (me) to draw something you want, make the payment in the agreed amount and timeframe, and within a few days/weeks, you'll receive the artwork you paid for.

I want a commission, how do I contact you?

You can reach out to me through my social media or send me an email for a faster response.

Email: areq1222@gmail.com

For the commission, I need reference images of the character or creature you want.

Once your drawing is finished, I'll need an email or Gmail address to deliver your order. This is necessary so you can receive it in high quality and in a .zip format for a better experience.

SLOTS AVAILABLE: 5/6 PEOPLE (MAXIMUM TWO DRAWINGS PER CLIENT)

How long does it take to deliver the drawing?

The delivery time is **2 to 4 days**, depending on the complexity of the commission.

The time starts when I send you the first progress update of the project.

How do payments work?

To start the commission, an upfront payment is required. The remaining amount is paid once I notify you that your artwork is finished.

(Payment comes first, then the artwork is sent).

I accept payments via **PayPal** or **bank transfer (if you are in Mexico)**.

Do you offer refunds?

NO, I do not offer refunds once the artwork has started. Refunds are not possible unless initiated by the artist.

Once the work is finished, **changes to the character, pose, or any other major detail will not be modified.**

Let's discuss everything beforehand! :)

Can I choose the background?

Of course! You can send me reference images or directly the image you want as the background.

When I send your order, I'll provide **one version with the background and another in PNG format.**

I can also create different types of backgrounds if you're interested:

Can you draw me or make me a free drawing?

If you have any questions, feel free to send me a private message! :D

Thank you for reading and making it this far. Salu2!
