(Include as many lines as needed but don't duplicate institutions' address. If all authors are in the same institution, there is no need to have the superscript numbering after the authors' names.)

The main Text should be placed here and it should be prepared using Calibri font type, 12 point font size. Your abstract should be 1 page long, A4 paper size, margin of 2.54cm all around. We suggest that you download this file and edit it accordingly.

If you intend to add figures, equations or tables, please embed them in the text. References should be numbered sequentially using superscripts in the text to refer to them[1].

The file types accepted in the abstract submission form are .docx, .doc, .rtf or .odt. Please name the file: CorrespondingAuthor.docx (or in one of the allowable file types). If you intend to submit more than one abstract, please name each file sequentially, like CorrespondingAuthor-1.docx, CorrespondingAuthor-2.docx, etc.
