BLOOD DRIVE SUCCESS! I just received the following email from OneBlood: "Yesterday was a terrific blood drive – one of the best. The River Hills community has a LOT of heart! The OneBlood team registered 23 donors and collected 21 units. Those 21 units will impact the lives of 63 local patients over the next few weeks. Just wow! Please share these totals and a big thank you from OneBlood with your community. We look forward to seeing everyone again on October 17. :=")

I am so proud of our community! Thank you.

CUPPA JOE: We had a great Tuesday evening Cuppa Joe this week. Much discussion was had around the traffic and wrecks on Hwy 49. A fellow resident found the following article and study that might of interest to you:
