Notes:

**\*TASC Blocks** will rotate weekly. First week students will report to A & B Block, the second week report to C & D Block. We will be addressing students with split block courses. Click [here](#) to see TASC Calendar.

**Asynchronous learning days:** On these days, students should expect a **minimum** of 60 minutes of work per course, however, it could be up to 90 minutes depending on the course content and the pace at which the student works. All asynchronous work must be completed by TBD. The deadline for this work is firm for all courses. Late work will not be accepted.
