Jarvis Apps Studio

At **Jarvis Apps Studio**, we respect your privacy and are committed to protecting your personal information. This Privacy Policy explains how we collect, use, and safeguard information when you use our mobile applications and related services.

This policy applies to all of our apps, including but not limited to **Employee Attendance Management, Designs for Cricut, Tripto: Travel Planner Guide, Lomo Camera Filters & Effects**, and other applications published by **Jarvis Apps Studio**.

1. Information We Collect

We collect only the information necessary to provide and improve our services.

a. Information You Provide

When you use certain features of our apps (such as saving data, creating accounts, or sharing content), you may voluntarily provide:

- Name or username
- Email address (if applicable)
- Optional information related to app functionality (e.g., employee data, design projects, or trip details)

We do **not** collect sensitive information such as passwords, credit card details, or government IDs unless explicitly required for app functionality and with your consent.

b. Automatically Collected Information

When you use our apps, some non-personal information may be collected automatically, such as:

- Device information (model, OS version, app version)

- Log and crash reports (to improve performance and fix bugs)
- Usage statistics (how often features are used, session duration)
- Approximate location (if location-based features are used, e.g., trip planning)

This data is **anonymous** and used only to enhance app performance and user experience.

c. Location Data

Certain apps (like **Trip Planner**) may use your location to provide navigation, route, or nearby place information.

- You can control location access anytime through your device settings.
 - Location data is not stored or shared beyond the scope of providing the feature.
-

2. How We Use Your Information

We use the collected information to:

- Operate and improve our apps and user experience
- Personalize features and content
- Fix bugs, improve performance, and analyze usage trends
- Respond to your requests, feedback, or support inquiries
- Display relevant ads or promotions (if applicable)

We **do not sell** or rent your personal information to anyone.

3. Advertising and Analytics

Some of our apps may display ads using trusted third-party ad networks such as **Google AdMob**.

These services may use limited, non-identifiable information (like device ID or usage data) to:

- Measure ad performance
- Avoid repetitive ads
- Deliver relevant ads based on your interests

You can learn more about Google AdMob's practices here:

 <https://support.google.com/admob>

We may also use analytics tools (e.g., Firebase Analytics) to understand app usage and improve features.

4. Information Sharing

We only share information in the following cases:

- **With your consent:** If you explicitly agree to share data (e.g., exporting reports or sharing a design).
- **With trusted partners:** Service providers who help us operate the app (e.g., analytics, cloud storage) and who comply with strict confidentiality obligations.
- **For legal reasons:** When required by law, court order, or to protect the rights and safety of our users or the public.

We **never** share your data for unauthorized marketing purposes.

5. Data Retention and Security

We retain personal information only as long as necessary for the purposes stated above.

We use industry-standard security measures to protect data from unauthorized access, alteration, or disclosure.

However, no method of transmission over the internet is 100% secure, so we cannot guarantee absolute security.

6. Your Rights and Choices

You have control over your data. You may:

- Access, edit, or delete personal information (if applicable)
- Withdraw consent for permissions (e.g., location, camera, storage)
- Request deletion of data by contacting us directly

To make a data-related request, please email us at jarvis.apps.studio@gmail.com.

7. Children's Privacy

Our apps are designed for general audiences and **not intended for children under 13**.

We do not knowingly collect personal information from children.

If you believe your child has provided us with data, please contact us so we can delete it promptly.

8. Changes to This Policy

We may update this Privacy Policy from time to time.

When we do, we will update the "Last Updated" date at the top.

If the changes are significant, we will notify you through the app or by email (if applicable).

9. Contact Us
