Form to Decline Gifted Services

In the state of Ohio, parents/guardians may choose to decline gifted services for their child. You may decline gifted services for your child by completing this form and returning it to the building principal. Once this form is received, your child will not be placed in or will be removed from gifted services. This will be in effect for the remainder of the school year and for all future school years until the district is informed that you wish to continue services for your child.

I decline to have my child participate in all gifted services provided by Mapleton Local Schools.
