

SIT Meeting 4/22/2025
Climate & Culture

Attendance:

Karen Moore
Alissa Chamberland
Tara Sczerbinski
Cindy Browning
Cory Howland
Heather Browning
Chris Lavendier
Tabitha Watjen

Start new plan for next year

New Goal:

Use data from signup events or surveyworks data?
Need data for attendance sign ups to be able to compare figures
Send out a survey of events participated in with feedback
Could be about offerings not attendance at events

Measurable Goal?

Stay with grade level offerings. If no funding available could be used as extra hour in contract
Every grade level creates a family engagement night & at least 50% attendance.

Attendance from 13% to 11%

Updated initiatives for next year

Get input from teachers on events for the upcoming year.
