name:

"O, then I see hath been with you." Mercutio

Your assignment is to look back over Mercutio's Queen Mab speech (Act I, Sc. 4, lines 59-99) and
illustrate a segment of Mercutio's speech using clear visual elements that bring to life his speech. Somewhere on the poster-paper (no smaller than 8x10 but no larger than 10x18) include several written lines or excerpt of Shakespeare's words with proper attribution in which the image appears, for example (I.4. 60-65).

Now, let's see a few samples to serve as inspiration... look on Sims website Under Honors I, Shakespeare Page.
