

## UPCOMING CONTRACTING OPPORTUNITIES

No	Project Name	Procurement Type	DETAILED PROJECT SCOPE	Specific Services	Anticipated Advertisement Timeframe	CONTACT INFORMATION
1.	Alameda Countywide Ramp Intersection Safety Plan (CRISP)	Professional Services	The CRISP will identify and prioritize safety and active transportation needs at freeway ramp intersections, supporting safety and health in communities adjacent to high traffic volumes and speeds at these locations. Stemming from recommendations of previous planning efforts by Caltrans and Alameda CTC, the Plan will prioritize on- and off-ramp intersections countywide and advance improvements at high-priority locations. Working with stakeholders including Caltrans, local jurisdictions, and community-based organization partners, the Plan will engage community members to develop concept designs, cost estimates, and funding and implementation plans for these locations.  This contract will be funded with local funds. As such, the Alameda CTC Local Business Contract Equity (LBCE) Program will apply. The LBCE Program's goals for professional services are 70.0% for Local Business Enterprise (LBE) firms and 30.0% for Small Local Business Enterprise (SLBE) firms.	<ul> <li>Safety and Vision Zero Analysis and Planning</li> <li>Community Outreach and Engagement</li> <li>Conceptual Design Engineering</li> <li>Caltrans Process Expertise</li> <li>Safe System Approach</li> </ul>	November 10, 2025	Kristen Villanueva, Director of Planning, kvillanueva@alamedactc.org
2.	Program Management Services – Accessible Transportation	Professional Services	Professional services consultant or consultant team to support the agency's facilitation of grant oversight and initiatives through the agency's advisory committee for older adults and people with disabilities. Coordination services include meeting facilitation and coordination, local Americans with Disabilities (ADA) transportation and paratransit program review and support, administration and coordination of local, regional, state and federal grant funding, research and development of new countywide initiatives, public outreach and partner agency coordination, including updating and maintaining the Access Alameda website and technical assistance. This contract will be funded with local funds. As such, the Alameda CTC Local Business Contract Equity (LBCE) Program will apply. The LBCE Program's goals for professional services are 70.0% for Local Business Enterprise (LBE) firms and 30.0% for Small Local Business Enterprise (SLBE) firms.	<ul> <li>Program Management</li> <li>Meeting Coordination and Facilitation</li> <li>Community Outreach and Engagement</li> <li>Website Support</li> <li>Paratransit and ADA Expertise</li> </ul>	December 5, 2025	Kristen Villanueva, Director of Planning, kvillanueva@alamedactc.org

3.	San Pablo Avenue Parallel Bike Improvements	Construction	Construction of Bicycle and Pedestrian improvements along streets parallel to San Pablo Avenue in the Cities of Albany, Berkeley, Emeryville and Oakland. Project elements include traffic circles, traffic diverters, speed humps/tables, curb extensions, median modifications, intersection daylighting (red curb), curb and gutter, curb ramps, pavement maintenance and rehabilitation, drainage modifications, pavement delineation, roadside signage, intersection safety lighting, a pedestrian hybrid beacon (PHB), rectangular rapid flashing beacon (RRFB) warning devices, and landscaping improvements.  The estimated number of working days is 268.  This contract will be federally funded.	General Contractor	January 05, 2026	Jhay Delos Reyes, Director of Project Delivery and Construction, idelosreyes@alamedactc.org
4.	San Pablo Avenue Bus Lanes and Bike Lanes Project	Professional Service	Professional services consultant or consultant team to support the Project Approval and Environmental Document phase of the San Pablo Avenue Bus Lanes and Bike Lanes Project. Services include preliminary engineering, environmental technical studies to support California Environmental Quality Act and National Environmental Policy Act clearance, preparation of a Caltrans Project Report, traffic studies, agency and public outreach and coordination, and grant applications. This contract will be funded with local funds. As such, the Alameda CTC Local Business Contract Equity (LBCE) Program will apply. The LBCE Program's goals for professional services are 70.0% for Local Business Enterprise (LBE) firms and 30.0% for Small Local Business Enterprise (SLBE) firms.	<ul> <li>Preliminary Design</li> <li>Environmental Technical Studies</li> <li>Traffic Studies</li> <li>Agency/Public Outreach</li> <li>Caltrans Project Report</li> </ul>	January 12, 2026	Matt Bomberg, Principal Transportation Engineer, mbomberg@alamedactc.org
5.	Express Lane System Manager and Program Support	Professional Services	Professional services consultant or consultant team to support the agency's express lanes program. Services include working in partnership with agency staff, augmenting staff resources and providing technical expertise for the implementation and operation of Alameda CTC's Express Lanes. Services include program-level strategic advising, policy and technical knowledge, risk assessment and management, "best practice" research and analysis, operations audits and trend monitoring, issue and resolution management, toll system integrator contract administration, and toll system project controls.  This contract will be funded in whole or in part by Toll Revenue funds and as such, will not be subject to a Disadvantaged Business Enterprise Program or the Alameda CTC Local Business Contract Equity Program. However, Alameda CTC strongly encourages each proposer to consider the use of disadvantaged, local and/or small business enterprises in its proposal.	<ul> <li>Project/Program Management</li> <li>Toll System Technical Expertise</li> <li>Implementation Oversight and Management</li> <li>Operations Support</li> </ul>	March 2, 2026	Ashley Tam, Principal Transportation Engineer, atam@alamedactc.org
