LINGUISTIC ANALYSIS OF THE SONGS CHOSEN

SONG(S) CHOSEN:

LYRICS OF YOUR SONG:

- Could you be loved

Could you be loved and be loved?
Could you be loved and be loved?
Don't let them fool ya
Or even try to school ya
Oh, no
We've got a mind of our own
So go to hell if what you're thinking is not right
Love would never leave us alone
A-yin the darkness there must come out to light
Could you be loved and be loved?
Could you be loved, wo now! and be loved?
(The road of life is rocky and you may stumble too
So while you point your fingers someone else is judging you)
Love your brotherman
(Could you be, could you be, could you be loved?
Could you be, could you be loved?
Could you be, could you be, could you be loved?
Could you be, could you be loved?)
Don't let them change ya, oh
Or even rearrange ya
Oh, no
We've got a life to live
They say: only, only
Only the fittest of the fittest shall survive
Stay alive
Eh
Could you be loved and be loved?
Could you be loved, wo now! and be loved?
(You ain't gonna miss your water until your well runs dry
No matter how you treat him, the man will never be satisfied)
Say something! (Could you be, could you be, could you be loved?)
