

# Marc Allen - The Millionaire Course Seminar

## CREATE THE LIFE OF YOUR DREAMS

Let self-made millionaire Marc Allen show you how to attain financial success and lasting fulfillment *while doing what you love to do*.

Marc Allen is living proof that you don't need to be a workaholic to succeed you can do it, in fact, in an easy and relaxed manner, in a healthy and positive way. In this full day seminar, you will be given all of the basic techniques and lessons from Marc Allen's powerful book, *The Millionaire Course: A Visionary Plan for Creating the Life of Your Dreams* .

Marc is a self-made millionaire who founded a tiny publishing company with no capital and, using the tools he so clearly presents in his seminar, built it into one of the leading independent publishers in the country, New World Library. He is an internationally renowned author of several great books, including *Visionary Business*, *A Visionary Life*, and *The Ten Percent Solution*. Most importantly, as best-selling author Shakti Gawain put it, he has mentored countless individuals and businesses to realize their dreams.

His seminar is humorous, easygoing, and gives you the information and support you need to create success. By attending *The Millionaire Course*, you *can* attain your goals; you *can* become a millionaire (if that's a goal you choose) with ease and grace, all the while building security for your family and supporting the entire community.

Take Control of Your Destiny

You have everything you need:  
a miraculous body, a phenomenal brain,  
and a vast and powerful subconscious mind.  
Now it's just a matter of focusing them in the right direction.ä

## Key 5 from *The Millionaire Course*

What if, just *what if* , there was a definite, specific, proven set of principles that, if followed, could help us live the life of our dreams? And what if we could reach our success by doing *what we love to do* , while adhering to compassionate, conscious values?

That is exactly what this Course can do for anyone who is willing to commit to the program to study it, to plan, and to act on that plan. This Course not only puts you on the right track philosophically and psychologically, it goes on to give you *the real tools* the business plan, the vocabulary, even resources for financing that you'll need to complete the job. This is not simply a set of motivational ideas, it is precisely what it says it is: *a visionary plan for creating the life of your dreams* .
