<u>Mr. Carrell's News</u> alexander.carrell@reyn.org 5/14/19- Students have completed their Explorer Project and we will be presenting findings to the class this week. Please make sure you are checking grades and assignments on Canvas as we close out the year. This includes assignments that are missing due to student absences or sickness. <u>All Q4 assignments will be due Friday, May 17.</u> Students must have their pencil, notebook, and headphones/earbuds each day. As always, please don't hesitate to contact me anytime you have a question or concern!	<u>MS. Castle's News</u> abigail.castle@reyn.org (4/29-5/3) This week, students will be preparing for the Science AIR state test by participating in review games and taking practice tests. (5/6 -5/10) This week students will be completing a video project on the Sea Turtles of Shark Bay. The goal of this project is for students to observe the adaptations of two sea turtle species, use graphs to compare physical traits of turtles, and analyze data on shark attacks on turtles. At the end of the week, students will be REMINDERS! • Math AIR Test on Tuesday • Science AIR Test on Thursday If your student is absent, make sure to check the absent work module on my Canvas page! If your student has further questions about an assignment, please don't hesitate to reach out! As always, please feel free to reach out to me on Dojo or email if you have any questions or concerns!
<u>Mr. Chesser's News</u> jason.chesser@reyn.org 5/7 <i>Important this quarter and every quarter is the use of I-ready in the classroom. I-ready is a fundamental part of your child's success. Every student needs to come to school with their own earbuds or headphones to engage themselves in their I-ready learning. MS. Bennett's News

michelle.bennett@reyn.org

These last few weeks in both classes, students will be completing several projects.

In ELA- they are finishing up their books and we will be sharing them next week. Some students have begun the new vacation planning project (ask them where they want to go!). In Math, students are creating their dream bedroom. I told students to share their ideas with parents and use their skills of persuasion. Please encourage your child to continue reading at least 30 minutes a day at home! Please also make sure your child has headphones or earbuds every day for class. Feel free to email me with any questions or concerns.
