

NEW TECHNOLOGY, EXPANDING NETWORKS

Purpose

Evaluating the characteristics of the Phoenicians and Hittites will help you determine how new technologies impacted networks and communities in this era.

Process

1. Use evidence from the articles "[The Iron Age](#)," "[Phoenicians: Masters of the Sea](#)," and "[The Hittites and Ancient Anatolia](#)" to complete the table below.

Question	Phoenicians	Hittites
What type of new technologies did this society use?		
How was this society organized?		
How did this society adjust to population growth?		
How did this society expand networks of exchange?		
What were the cultural achievements of this society?		

NEW TECHNOLOGY, EXPANDING NETWORKS

2. How did new technologies help expand societies and networks during this era?
