4-4:50	Beg./Int. Ensemble	Mandolin 2	Guitar 3 Beginner Ensemble (Studio B)

Schedule Notes:

- Schedule subject to change based on student enrollment
- Advanced Ensemble TBD
- Intern Meeting TBD
- Limited private and semi-private lessons available on Thursdays/Fridays if unable to attend regular class times, inquire for details
- Due to the large age span of our students (8-17 years old), as well as variability of previous musical experience, students do not necessarily progress to a new level each year. Variability of material within the curriculum provides an appropriate challenge for students who would benefit from repeating a level two or three years in a row. Current

families will be notified of expected level placement for the following year around March, so that families can plan accordingly.
