

Kurkis Weekly News

I am super excited about our Thanksgiving Feast! We have worked very hard on our outfits and our thankful crafts. I look forward to sitting with all of you and enjoying our meal together. **Don't forget to RSVP by tomorrow.** I am truly blessed to spend time with your child every day. They keep me laughing and keep me on my toes:)

Please go straight to the multipurpose room for the feast. The children will be getting ready in the room. Just look for your child's placemat and artwork. We will sing two songs to start our time together at 10:45 so **PLEASE DON'T BE LATE!**

Our centers this week have been super fun. This week we have enjoyed writing the room, as well as our letter L. They have to find pictures around the room with the word underneath. They have to match up the picture and then write the word. Some are very secure in their handwriting while

some of us are still working at it. Not to worry, we practice a lot. If you are working with your child on their name, please use only the first letter, a capital and then lower case.

In math this week we are practicing counting to 100-wow, that is a lot of counting. They are very proud of themselves.

- November 19th: 4K Thanksgiving Feast 10:45-11:30
- Thanksgiving Holiday-November 24th-28th
- Half day before Christmas Break-December 19th. No lunch bunch or Knight shift
