Note from the President

Hello!

I wanted to send you a quick note about a change that we've been working on to refresh our logo. We're changing our logo to better reflect our mission to improve lives and our community by continuously elevating property management standards. Our new logo symbolizes the homes we manage while the upward swoop represents that we open doors, elevate standards, and savor the smiles we get while working to have fun in the process!

Right now, we're only changing our logo, but we have so many great up and coming plans for the future. Our customers are our core focus and it is our goal to build the best and most trusted relationship with you that you can rely on for years to come. We appreciate the opportunity to be your Property Manager and we sincerely thank you for the opportunity to serve you!

Assuring you of our prompt attention and very best service at all times,

A handwritten signature in blue ink that reads "Darus Trutna".
