Sample CPHS Capacity Assessment Matrix

Use the matrices below to create a summary of your agency's capacity in each Core Public Health Service area. Core Public Health Services are broken down into Foundational Capabilities & Foundational Services. These are shown in separate tables below.

For descriptions of each Foundational Capability & Foundational Service: <http://www.calpho.org/core-public-health-services.html>

Core Public Health Services: Foundational Capabilities							
	Assessment and Planning	Communications	Policy Development and Support	Partnerships	Emergency Preparedness and Response	Organizational Competencies	Health Equity and the Social Determinants of Health
Personnel and FTE*	# personnel; # FTE	# personnel; # FTE	# personnel; # FTE	# personnel; # FTE	# personnel; # FTE	# personnel; # FTE	# personnel; # FTE
Total funding expended	\$xx,xxx	\$xx,xxx	\$xx,xxx	\$xx,xxx	\$xx,xxx	\$xx,xxx	\$xx,xxx
Areas of Strength	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths	Fill in each box with a qualitative summary of strengths
Areas of Challenge	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges	Fill in each box with a qualitative summary of challenges
Capacity Ranking	Fill in each box with estimated level of capacity to carry out service	Choose from the following 5 options:	Basic	Basic to Moderate	Moderate	Moderate to High	High
