GENERAL INFORMATION

What is CLG?

CLG is a one-day conference bringing together the top... yep, you guessed it... CLG leaders to explore go-to-market, scaling, pricing, strategy, and more. As you would expect, there will be pre and post-conference connection events.

We are in a new era where community-led growth is almost necessary to build and grow anything sustainably. Join us to learn the latest with people building the companies and communities of the future!

When is the conference?

Friday, March 13th, 2026, from 8:30 am - 6 pm.

We plan to have a pre-conference mixer on Thursday, March 12th. Time is still being determined.

Where is the conference?

The event will be at The Malin @ 270 7th Avenue, New York City. This venue is in the heart of Chelsea.

Who is going to the conference?

Heads of Growth, Heads of Communities, Community Founders, and Community Builders.

(Hopefully you!)

What's the format?

This conference is an intimate, highly interactive day built around small-group connection, practical problem-solving, and peer learning. Rather than passive panels or keynote-style talks, the format centers on curated mastermind sessions where attendees share real challenges, trade proven tactics, and get direct feedback.

Why are we hosting CLG?

Frankly, we think this conference needs to exist. We think many events are too corporate or too social. It's a conference that we want to attend and can't find anything like that. And there are so many amazing builders in NYC, and we want you all to meet.
