

Current Song: Once Upon a Time

Long ago, our kind lived on
the surface alongside humans.

Humans, the violent, selfish
creatures are, betrayed our kind
despite being stronger than us.

**Humans, the violent, selfish
creatures they are, betrayed our kind
despite being stronger than us.**

And so, they sealed us in this...

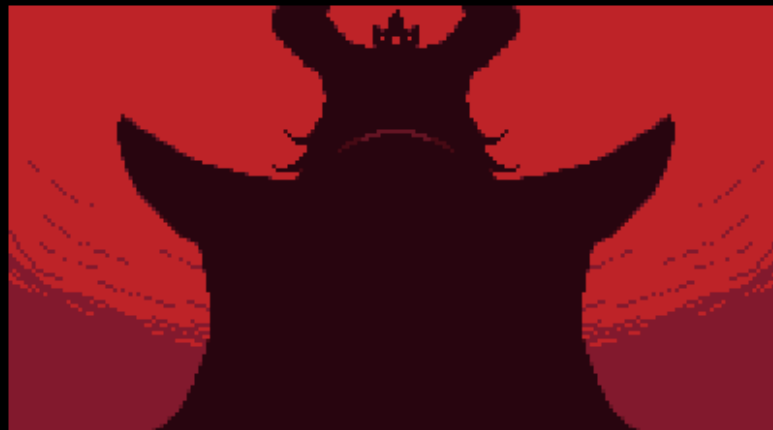

W r e t c h e d... mountain.
For so many years...

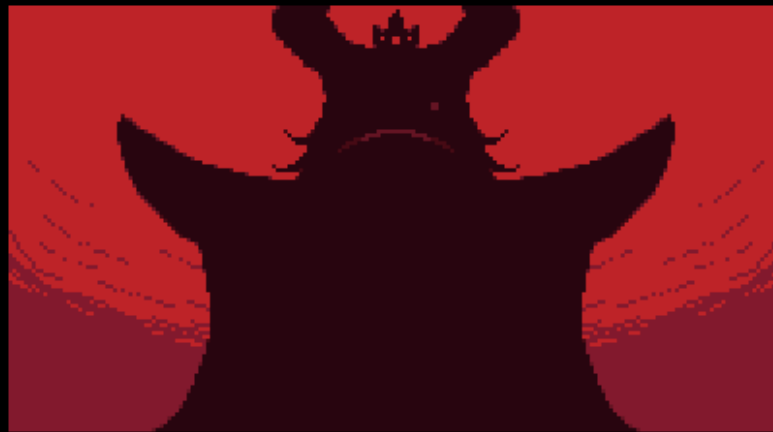

...

And ever since that day.

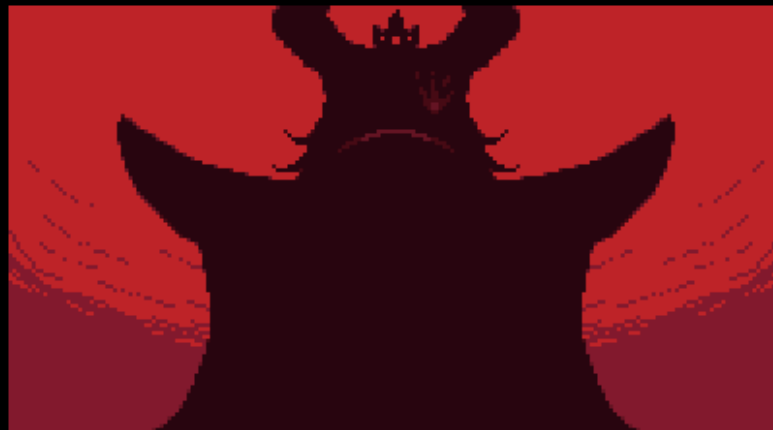

Current Song: silence

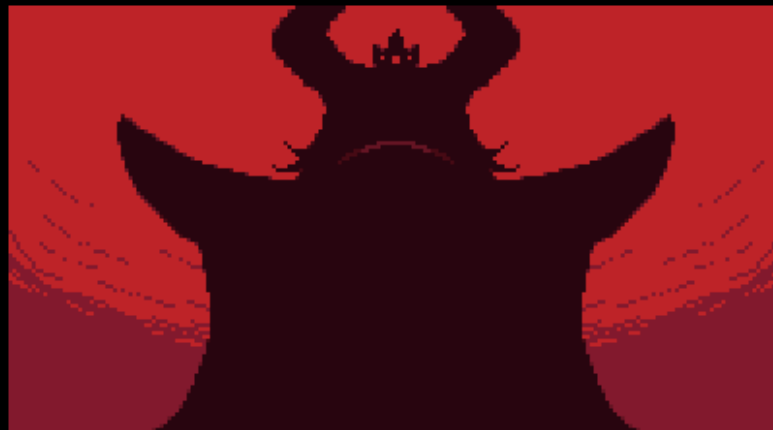

I have reigned.

And I have put one. Simple. Law.

Any human who falls...
Will die.
If not by my hands.
Yours.

My people...
Don't forget.

We will be free.
