

# THE LEARNING ACCELERATOR NETWORK

February 10-12 | New Orleans, LA

*TLA Network 2020 creates an opportunity for innovative leaders and field experts from across the country to bring their varied experiences, perspectives, and expertise to:*

- **build a unique community** of school and system leaders and professional service providers
- **collectively identify and problem-solve** challenges faced in the field
- **learn with and from** each others' distinct vantage points
- **collaboratively design for implementation** for those they serve and for the field as a whole
