**Subject:** Join me Tuesday for a vigil at MDC Brooklyn

Hello Friends,

I'm inviting you to join me Tuesday at 6pm for a peaceful vigil outside the Metropolitan Detention Center (MDC) in Brooklyn. Over 100 of our immigrant neighbors are being held there—taken from their homes, schools, and workplaces—and kept in notoriously harsh conditions: rancid food, freezing winters, stifling summers, and constant neglect.

Vigils are simple but powerful: we gather, grieve, and make injustice visible. Standing together helps us resist raids, detentions, and deportations—and show our neighbors they are not alone. You don't need experience—just your presence. Signs are welcome (here are some [ideas](#)), but not necessary.

#### **Details**

When: Tuesday, 6–7pm

Where: MDC Brooklyn (29th St & 3rd Ave, Sunset Park/Industry City)

Who: Everyone is welcome—bring family and friends

Sign up (optional): [Mobilize details](#)

Led weekly by Good Shepherd Lutheran Church and Brooklyn Indivisible, these vigils are part of a growing movement for dignity, compassion, and freedom.

Hope to see you there,  
[YOUR NAME]
