

This document is for Personalized Learning Academy (PLA) ONLY

Field trip release #3 is almost here! Mark your calendars for Thursday, January 5th.
Field trips will be open for student/family sign-ups at 9am on 1/5/23.

STEP 1: Get Ready for Release #3!

- Review the [FAQ for Families](#) to familiarize yourself with our field trip procedures and policies.
- **Check Instructional Funds!** Check with your student's Teacher/EA to confirm your student's IF's balance. It's important to note that if you purchase student field trip tickets with IFs, but sufficient student IFs are not available, your student may not attend the field trip and **we are unable to refund additional tickets that were paid out of pocket** (i.e. parent/guardian and sibling tickets).
- **Test your account** on our [Sage Oak website](#) and practice the checkout process by "purchasing" tickets for a [Trip to the Moon](#)! Please do this prior to the parent/guardian sign-up window so we can help you troubleshoot any technical issues prior to the sign-up window.
Email events@sageoak.education with any questions.

STEP 2: Get Set!

- **On Wednesday, January 4th parents/guardians will not have access to the field trip portion of the website** due to the Sage Oak teacher/chaperone ONLY sign-up window. Only Sage Oak teachers/chaperones will be able to access field trips on the Sage Oak website this day. Parents/guardians, please do not panic when you cannot access the field trips on 1/4/23.

STEP 3: Go! Sign-up for spring field trips!

- **Thursday, January 5th at 9:00 am parents/guardians will regain field trip access on the website** and can start the sign-up/checkout process at that time. The parent/guardian field trip sign-up window will last through Tuesday, 1/10/23 at 4pm.

If you cannot find answers to your questions please email events@sageoak.education with any questions.
