### Sixth Form Updates

Dear Sixth Form Students and Parents,

#### A Positive Start to the Exam Season

Over the past couple of weeks, it has been great to see students working hard on their revision. Each morning the Sixth Form Centre buzzes with a genuine learning atmosphere—students swapping questions, comparing answers and supporting one another. This peer-to-peer collaboration is exactly the spirit we hoped to see as exams approach.

#### Staying in School – Why Routine Matters

Several students have asked about taking study leave. While independent revision certainly has its place, we strongly recommend that Sixth Formers remain in school during the exam period:

- Structured routine – Lessons, support sessions and timed breaks keep revision on track.
- Instant help – Teachers, subject clinics and the Past-Paper Support Club are on hand for last-minute questions.
- Motivation – Studying alongside classmates builds momentum that is hard to maintain when working alone at home.
- Students who need a quieter space may use the Sixth Form silent room or the library throughout the day.

#### Ongoing Support

- Past-Paper Support Club – Monday–Friday after school in the Sixth Form Centre.
- Subject Clinics – Full schedule on the Exam-Support Hub.
- Revision & Well-Being Resources – Timetables, planner templates and useful links are all on our hub:

#### Prom – Late Payments

Thank you to everyone who has already paid for Prom. Although the official payment deadline of 25 April has now passed, students who still wish to attend should contact me or visit the school finance office as soon as possible. Late payments (RM 150) will be accepted for a short period while we finalise numbers for the event on 26 June at the Cyberview Spa & Hotel Resort.

Kind regards,

Mr. James Welburn, FRSB
