- I Prevents the phone from sleeping
- I Positioning

3. Data We collect

We may collect non-personally identifiable information about users when they interact with our app. Non-personally identifiable information includes the device model, application installation information, operating system version, and other similar information.

We may use non-personal information for the following purposes:

- (1) For personalizing the user experience. We may use user non-personal information to understand user characteristics and other trends associated with user usage.
- (2) For service improvement. We may use non-personal information to provide, maintain, improve, improve our applications, services and websites, and develop new services.
- (3) For business development. We may use non-personal information to help promote and develop the market.

4. Data We do not collect

We do not collect personal information. Personal information refers to the user's location, name, address, email, phone, fax, storage of the information on the equipment, and use the application, service or website information used to identify the user him or others.

5. Safety

We attach great importance to the maintenance of user privacy. We do not collect personal information, and we take effective measures to protect the user's non-personal information, so that this information will not be unauthorized access and use. Please note that while the security measures we take to protect information are sound, it is not absolutely guaranteed that the non-personal information of the user will not be accessed and used without authorization.

6. Third-Party keyboard warnings

When installing this application, you will receive a warning from the system's third-party input method. Do not worry, this is the normal system detection process for the mobile device

7. Transfer of data

Because this product contains advertisements, information transmitted or shared by the user using the product may be intercepted, collected, used or disclosed by other third parties. This privacy policy does not apply to the interception, collection, use and disclosure of user information by third parties, and we are not responsible for the interception, collection, use and disclosure of user information by any third party. If users have higher requirements on the security of information transmitted or shared, please download carefully or uninstall the product as soon as possible

8. Contact us

If you have any questions or comments regarding this Privacy Policy, please contact us at: crazyhospitalstudio@gmail.com

9. Policy changes

We reserve the right to make final interpretation of these Terms
