Where can I find important schedules and contact information? Our new website has upcoming events, back to school information, and more. Visit <https://www.lewispalmer.org/o/lphs> to explore. We are still learning how to

format our new website, so if you happen to come across outdated information, please email tackerman@lewispalmer.org to let us know.

How did you pick the theme for this year? Thanks for asking! More details to come, but several things inspired the theme:

- Teachers said- "Keep the Journey idea, our Journey didn't end!"
- What is perhaps our greatest strength? EACH OTHER- emphasize that we are indeed- Stronger Together!
- Staff have requested that we are on the right track with our priorities and that we want to continue to grow and refine in Connections, Engaged Learning, and Teamwork.

So excited to roll up our sleeves and get to work together in honor of our students!

What cool things happened in the lives of LPHS staff and students this summer? Great question- so many things! Check out these photo collages that capture highlights: 3 EF trips to Greece, Thailand, and various European destinations and our Ranger Tutor Center presenting to Colorado Administrators, Alex Weeks signing a mental health bill with the governor, National finisher in multiple trampoline events- Shaeya Johnson, Coach Tupper having

some fun and Mrs. Tupper with students at HOSA Nationals!
